Department of Computer Science and Engineering

Academic Audit Conduct Mechanism:

The department of Computer Science and Engineering undergoes internal audit once in a semester by two senior faculties from other department. The department also undergoes external audit once in a year by academicians from sister institutions.

Audit observations from the internal audit and external audit are placed before the Department Advisory Committee (DAC) for its implementation. The DAC discusses about the observations and if found necessary, then it is placed before the Program Assessment Committee (PAC) for its approval. Further, the PAC discusses on the observations and if found necessary, then it gives approval for DAC for its implementation.
