## FIRE EXTINGUISHER – DO's and DON'Ts

**Date of Conduction of Program:** 01/12/2021

**Venue:** KSIT

**Organized by:** NSS UNIT

**Duration:** 2:30 pm – 4:00 pm

**Participants:** Principal, C.E.O, Director-Admissions PRO, NSS PO, Physical Education Director, HODs, Faculties, NSS volunteers and students.

### SCOPE OF THE PROGRAM

Fire Prevention is to eliminate the causes of fire, prevent loss of life and property by fire, and to comply with the Occupational Safety and Health Administration's. Fire extinguishers play a vital role in any fire protection plan in any environment. They are a first aid response to fire and can help prevent catastrophic damage to property and even loss of life. Also, fire extinguishers limit the amount of pollution that is caused by smoke and burning debris. The whole objective of the program is to address the precautionary measures to be taken during the fire accidents.

### OBJECTIVES OF THE PROGRAM

- To create awareness about the preventive measures during the fire accidents.

### HIGHLIGHTS OF THE PROGRAM

The NSS Unit of KSIT in the wings of National Service Scheme (NSS) organized an event on 'Awareness about fire accidents' on 1<sup>st</sup> December 2021. Dr. Dilip Kumar K, principal of KSIT, Dr. K V A Balaji, CEO of K S Group of Institutions, Mr. Naveen V, NSS PO, Mr. Umesh, PED, Heads of the all Departments, teaching and non-teaching staffs, NSS Volunteers and students were present in the event. The usage of fire extinguisher was demonstrated and the necessary precautionary measures were outlined as a part of the program.
