## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

### Process to arrive at the Vision and Mission of the Department:

#### Step 1:

- Strengths, Weakness, Opportunity and Challenges (SWOC) Analysis Report and Institute Vision and Mission were the basis to identify the key indicators for framing the Vision and Mission statements.
- This process attempted to understand aspirations of stakeholders and also look into some of the benchmark institutions in the system for arriving at the draft Vision and Mission.
- Alignment of Institute and Department Vision and Mission draft was ensured.
- The Vision, Mission framed will be shared among the employers, Alumni & parents regularly, when they visit department and feedback collected will be used during modification.

#### Step 2:

- Department Advisory Committee (DAC) reviews & recommends the draft of Department Vision and Mission by considering views and suggestions of various stake holders and ensures alignment with Institute Vision and Mission.

#### Step 3:

- The proposed Vision and Mission were placed before Program Advisory Committee (PAC) and Management for approval.

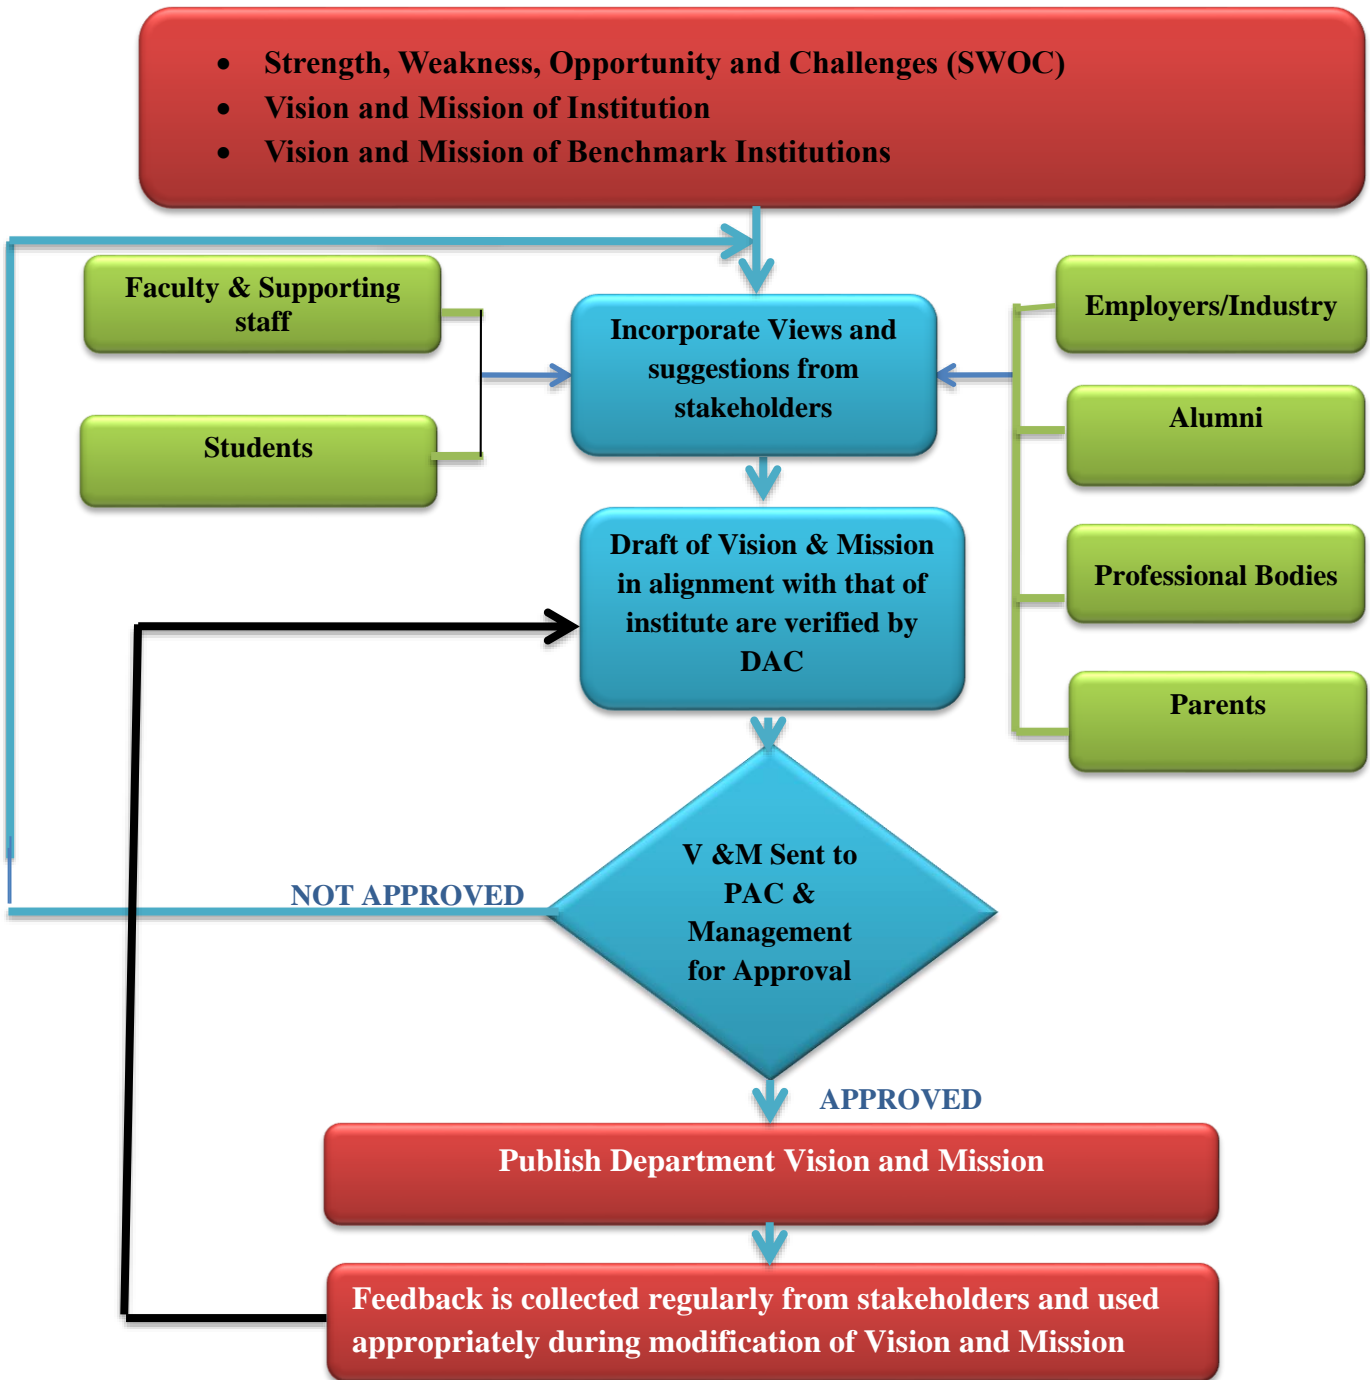

#### Step 4:

- Approved Vision and Mission of the Department were published.
