**Department of Computer Science & Engineering**

## **Academic Audit Report**

## Executive Summary of the External Audit Report

The 34<sup>th</sup> Governing Council had directed the Member Secretary to have an External Academic Audit done. In compliance with this direction, this audit was organized by identifying the auditors as follows:

Branch	Numbers audited at KSIT	Audited by .
Computer Science and Allied Branches	21+7+4=32	Dr. Prdeep Desai, CEO Thalesat Innovations Private Limited

The observations and remarks of the Auditors have been summarized in this Executive Summary:

### **Overall Department Remarks: CSE at KSIT**

#### **Audit Remarks:**

##### **Strengths:**

1. Academic Discipline
2. Friendly environment

##### **Remarks /Recommendations:**

1. Hire a few experienced teachers. Needed for leading the initiatives and mentoring of young teachers, researchers, and students.
2. Have a core team of seniors and a few youngsters to drive new initiatives /strategies.
3. Maintain a healthy ratio of experienced, mid-level and young teachers.
4. Identify and retain good teachers.
5. Set Department goals for Academics, Research, Operations, HR, etc.
6. Have a department roadmap for 3 years.
7. Introduce relevant and good practices in teaching.
8. Build a problem-solving culture.
9. Time management: Teaching vs Official work vs Self Development.
10. Training for young faculties on teaching and research (only self-motivated).
11. Identify faculties interested in research and writing research proposals.
12. Facilitate faculties interested in research to write research proposals for grants.
13. Recognize good work and create a culture for others to do more.
14. Exposure /awareness of best practices and excellence in academics.

15. Initiate Inter-Departmental and External /Industry Projects.
16. Industry Connects, to know what the industry needs.
17. HoD and Sr. Professors to attend recognized external industry and academic events for awareness.
18. HoD and Sr. Professors to actively work on the branding of the Department.
19. Create videos of the department for branding and attracting good faculties and students.
20. Have a digital system to improve productivity, reduce error, and rework.
