REPUBLIC DAY

Date of Conduction of Program: 26-01-2024

Venue: KSIT Quadrangle

Organized by: NSS Unit

Duration: 8:30am to 11:30am

Participants: Management Members, Principal, NSS PO, HODs, Faculties, NSS volunteers and students.

HISTORY OF REPUBLIC DAY

Republic Day is the occasion when India commemorates and observes the anniversary of the date on which the Constitution of India came into force on 26 January 1950. This substitution replaced the Government of India Act 1935 as the guiding document of India, officially transforming the nation into a republic independent of British.

SCOPE OF THE PROGRAM

January 26th was selected as the date because on this day in 1930, the Indian National Congress announced Purna Swaraj, the proclamation of India's liberation from colonial rule. Republic Day symbolizes the true essence of a sovereign and self-reliant India.

OBJECTIVE OF THE PROGRAM

Republic Day is the nationwide celebration of the largest democratic nation in the world, India. It is observed throughout the country with grandeur and enthusiasm on 26th January annually. On this significant day in 1950, we embraced our constitution, which stands as the most extensive written constitution globally.
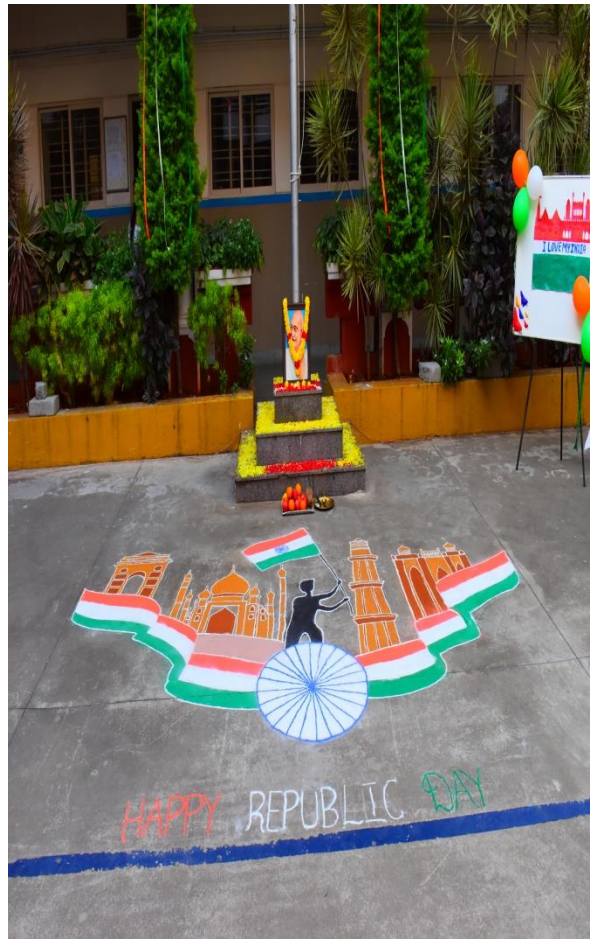

HIGHLIGHTS OF THE PROGRAM

On Republic Day, our college buzzed with excitement under the morning sun. It all started with a lively introduction that made everyone feel proud of our country. Our principal introduced the management and addresed the gathering. We then sang the State anthem, "Naada Geethe" together, creating a beautiful chorus of voices.

After the song, we had a special ceremony with Pooja and the unfurling of the national flag, showing how much we respect and admire our country's ideals. We also sang the National Anthem as a reminder of our commitment to democracy and unity. The president, secretary, and management, shared important thoughts about Republic Day. They encouraged us to be responsible citizens and appreciate the freedoms we have.

When the ceremony ended, we thanked everyone who took part. The celebration continued with a nice breakfast, showing how friendly and united our college community is. These cheerful moments and reflections made Republic Day extra special for our college, filling us with pride and a strong sense of togetherness.

PROGRAM OUTCOMES:

At the end of the programme, the following PO's are attained.

NSS	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO 11	PO 12
NSS PROGRAMME						2	3		3			3

Justification of PO mapping:

- *Students can able to assess societal, health, safety, legal and cultural issues and the consequent responsibilities .*
- *Students can able to Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development .*
- *Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.*
- *Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change*
