

4.4.2: There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

- The college has state-of-art laboratories and well furnished classrooms. Every department maintains seminar halls, classrooms and laboratories in specific.
- College has employed adequate staff who oversees the maintenance of buildings, classrooms and laboratories and also ensure hygienic and clean environment in the campus. Pest control measures are undertaken periodically to ensure a pest free zone.
- Periodic maintenance of equipment in laboratories is done and non-serviceable equipments are replaced. Maintenance of lifts, CCTV cameras and water purifier is done regularly through Annual Maintenance Contracts (AMC).
- The parking facility is well maintained. The campus is monitored through CCTV cameras, placed in areas which cover the entire campus zone.
- HODs of each department submit periodic budget for department requirements and maintenance. The requirements are evaluated before the beginning of every semester and are approved for execution. Proper inspection methods are employed to verify the stock at the end of every academic year and a stock verification report is generated and maintained.
- All the facilities provided in the college like the laboratories, computers, library are utilized by students and staff for various projects and research activities.
- The institution has well developed and maintained website, that reflects all the activities organized and executed in the campus and off the campus.
- Conferences, seminars, technical talks and many technical events for students as well as staff are organized and conducted using Conference Hall and various seminar halls. Two Board Rooms, Principal's Office and HODs' Office at department level are used to conduct meetings regularly.
- Internet laboratory is used to conduct many workshops and faculty development programs. It is also used to carry out University exam paper online evaluation.
- Online Laboratory and Group Discussion Rooms are well maintained and are utilized during recruitment drives by various companies visiting the college. Online laboratories are also utilized for V.T.U digital valuation.
- The college has badminton, volleyball and throw-ball courts and a kabaddi field. Students utilize the play ground to practice sports and games. They have participated in various university sports and games and also won many laurels to the college.
