Agenda: Discussion on Scoring of ACTIVITY POINTS, Online class during lockdown period and VTU exams

The meeting started at 8.10 pm. Dr. Rekha B Venkatapur, HOD, Dept of CSE, KSIT welcomed KSIT Principal Dr. T V Govindaraju and CSE Students of 4th A and B sec and their parents.

The issues discussed in the meeting are scoring of activity points, academics related issues during lockdown period and VTU exams of the year June/July 2020.

1. Principal addressed the students regarding scoring of Activity points. In the discussion it is mentioned that as per VTU guidelines students must score 100 Activity points in their 4 years of study to get final degree certificate. Students must go through 5 activities and each activity of 80hrs. With this regards few outsourcing agencies are providing online facilities to help the students to take part in activity to gain activity points. Sir mentioned fee structure of online participation is around 1500-2000 and students in group of 5-8 students can participate. It will be conducted for 8 to 10 days (total 80hr). Sir said that negotiation discussion is going on with outsourcing agency and students will be informed regarding this very soon. Students agreed for the same. And few students informed that they had already participated in 2 activities. Principle sir suggested that if possible they will consider already participated points based on total hour of participation.

2. Parents of Manvith Shetty USN: 1KS18CS046 Dr. Prakash Shetty and Mr. Vishnu Sharma brother of Arvind Pathak USN: 1KS18CS127 said that they are very happy with

way Dept of CSE, KSIT conducting online classes and Internal during this lockdown period. But suggested that students need a break of 10 to 15min after every two classes. HOD mam suggested class teachers to consider the same for the preparation of time table of forth coming weeks.

3. In continuation of discussion few students said that assignment questions of DAA subjects are difficult and applicable level, and they are facing difficulty in solving the questions. In continuation of this students also mentioned that IA question paper pattern and VTU question pattern of DAA subjects are not matching and they are facing problems. Students also mentioned Dr. Ram P Rustagi teaches very well, they are understanding the subject, but whatever knowledge they are gaining in DAA it will be helpful for them after their graduation. With this regards Principal suggested HOD to discuss with concerned faculty. HOD informed that the course owner will decide the question paper quality but an improvement test will be arranged by the department for absentees and those who don't have minimum average marks required to appear for VTU final theory exam.
