

K. S. INSTITUTE OF TECHNOLOGY
#14, Raghuvanahalli, Kanakapura Main Road, Bengaluru-5600109

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives
(For the academic year 2021-22)

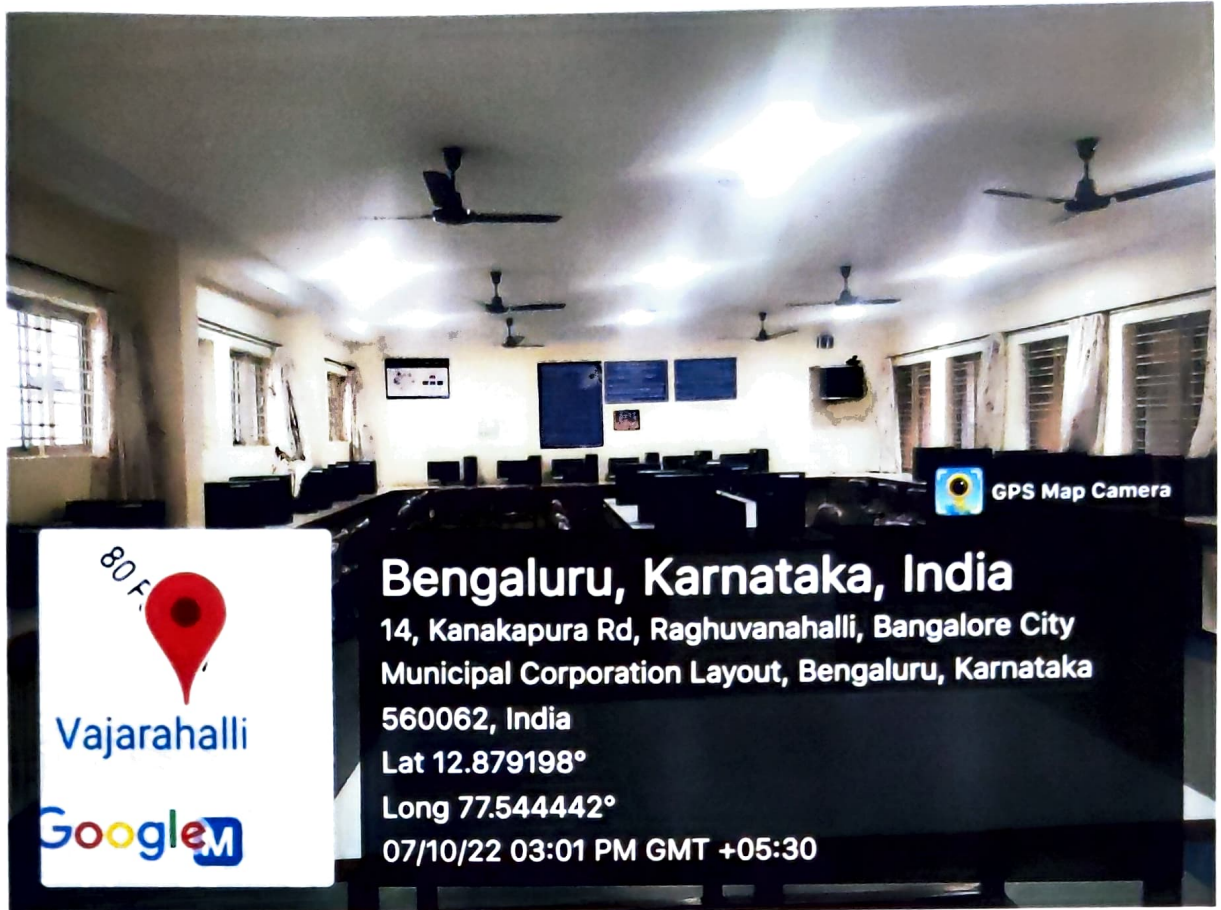

The institute has replaced compact fluorescent tubes with light emitting diode bulbs which are long lasting, low cost, energy saving, environmentally friendly and adaptable.

Following are some of the sample pictures:

LED BULBS AND ENERGY SAVER COMPUTERS IN COMPUTER NETWORK LABORATORY
