Respected Sir,

**Sub: Handing over adopted Government Schools to the School
Education Department, GoK**

Dasara festival greeting and Best wishes from Government of Karnataka

I draw your kind attention to the efforts of Government of Karnataka to leverage the quality of educational services in Government Schools. I thank you for joining hands with the government in this sacred work.

It has been two years since we took up the adoption of Government Schools for development work. I am sure by now your esteemed institution has completed the first phase work (Infrastructure). I earnestly request you to kindly complete any remaining work at the earliest and organize an official function to handover the developed schools to the Department of Education, so that we can move to the next stage of academic development as prescribed by NEP /Vidhyanjali/my recommendations

In the above context many institutions have already completed infrastructure development and then handed over to the government.

1. PES Universities has handed over 9 Government Schools in North Karnataka in an official function presided over by Hon'ble Chief Minister Sri Basavaraja Bommai Ji.
