34.7	Presentation of Result Analysis for the period 2021 - 22	The Council discussed the results and the lacuna found in some of the branches and
------	--	--

		approved the result analysis with minor modifications such as showing the no. of students appearing in 4 th Semester Mechanical Engineering as 11 instead of 10 in Table No. 34.7.2
34.8	Report on the Admission Status during the Academic Year 2022 - 23	The Council expressed their happiness over the admissions made in all the branches except Mechanical Engineering. However, the Council suggested to indicate the 1 st and the last CET rank so as to depict the input quality. The council suggested that adequate efforts to be put to fill the Mechanical Engineering branch through Lateral Entry.
34.9	Report on the Accreditation Status	The Council was informed that KSIT has been submitting the AQAR to the NAAC at regular intervals and getting the same approved.
34.10	Report on the various Academic Activities and Achievements - Papers Published, Seminars and Conferences conducted, FDPs conducted etc.	The Council expressed that the authors should concentrate on getting published in SCOPUS-INDEXED and Web of Science journals. All the authors are to be educated that their affiliation to KSIT should be in the same format. The Council pointed out that the faculty should be encouraged to apply to AICTE for conducting the FDPs.
34.11	Report on the Faculty Improvement Initiatives - Seminars and Conferences attended by the Faculty, FDPs attended,	The Council expressed satisfaction over the activities in this section and suggested that the faculty attending such programmes with the institutional support should come back and make a presentation on the take-aways they had in these programmes.
34.12	Report on the Ongoing Project	The Council expressed that all

	Funding and Research Grants.	the projects are of very small value and faculty should be encouraged to write project proposals to various funding agencies and get substantial project funding.
34.13	Report on the Consultancy done and the revenue earned.	The Council was informed that the two KRPs have left the institution and this activity has come to a standstill. However, the Council was informed that attempts are being made to bring in KRPs who can continue this activity.
34.14	Report on the Academic Enrichment Activities for Students like Guest Lectures, Hackathons, Design Contests, & Others	The Governing Council expressed its happiness over the activities that had taken place. However, it was suggested that guest lectures could be organized on a regular basis for a better exposure. At this juncture the external members were requested to help prepare a database of resource persons who could help in conducting this activity.
34.15	Report on Skill Development programs like Industrial Visits, Certificate Courses attended, KRP Activities	The Council suggested that we concentrate on the industrial visits to enhance the exposure to the real life industrial activity. Further, encouraging students to enroll to certificate courses outside the syllabus is a requirement during the present times to consolidate their learning and exposure.
34.16	Report on Merit Scholarships obtained by students.	The Council directed that for the SNQ students, the scholarship may be computed as (CET fee - actual fee paid).
34.17	Report on Internships done by students	The Council appreciated the list of students who have undergone internships but suggested that the institution identifies genuine organizations

		and sign a MOU for these internships. However, the Council also informed that the institution should try for paid internships that could result in conversions to placements.
34.18	Report on Internships done by faculty.	The Council was informed that this activity could not happen because of the continuously occurring academic activities in the institution due to the staggering of semesters.
34.19	Report on the Sports events conducted / participated.	The Council was informed that the Sports activity has resumed to its fullest level with the Annual Sports Day being conducted on 11.06.2022 and all the teams representing the institution taking part in all the VTU events. Our Girls team has won the first place in the VTU throw ball tournament.
34.20	Report on the Cultural Activities held during the period April, 2022 to November, 2022.	The Council was informed that all the Cultural events have been resumed to its full glory and the cultural festival known as "ANANYA" was conducted on 18.06.2022.
SECTION 4 PLACEMENT AND TRAINING ACTIVITY		
34.21	Report on the Training programs from April, 2022 to November, 2022.	The Placement & Training activity was presented to the Council that expressed happiness about the efforts made by the institution. The Council indicated that with the introduction of the new branches and the increase in the number of students from 420 to 600 the training challenges will also increase and the institution should gear up for this.

34.22	Report on the eligible candidates available for Placement Drives	The report on the eligible candidates and the number of candidates selected with single and multiple offers were presented to the Governing Council. The Governing Council was also informed that though the offer letters have been issued, the call letters have been delayed.
34.23	List of Companies visited during the period from April, 2022 to November, 2022.	The Governing Council appreciated the number of companies visiting the institution for a campus drive. The Council suggested that the TPO should maintain connectivities with prospective Companies and put maximum efforts to sustain and increase the placements.
34.24	List of Students Selected by various companies along with package.	The Council appreciated the average package offered to our students and also mentioned that this average should be gradually increased year on year.
34.25	Report on the Feedback by the visiting companies	The Council was informed that all the visiting companies indicated that they are highly satisfied with the personality and soft skills of our students. However, it was also pointed out that the hard-skills especially the programming skills are to be strengthened to increase the prospects of successful selections.
SECTION 5 DISCUSSION AND DECISION ITEMS		
34.26	Discussion on the performance of Existing Programmes.	The Governing Council took note of the marginal increase in the performance of students after the Covid period.

34.27	Discussion on New / Proposed Programs	The Council was happy about the starting of CS (IOT, Cyber Security including Block Chain) and Computer & Communication Engineering at the BE Level.
34.28	Discussion on Proposals submitted	The Council was informed that the applications that were submitted and reported during the previous GC is yet under consideration and the institution is awaiting the results.
34.29	Discussion on proposed changes in salaries / allowances etc.	The Governing Council was informed that DA to all the employees was revised from 50% to 70%.
