

K. S. INSTITUTE OF TECHNOLOGY

#14, Raghuvanahalli, Kanakapura Main Road, Bengaluru-5600109

7.3.1 – Institutional Distinctiveness

Embodying a unique blend of innovative programs, cutting edge research initiatives and a commitment to fostering a vibrant academic community, Our Institution stand out as a beacon of distinctiveness in the realm of higher education coupled with our Institution Vision to impart quality technical education with ethical values and research to achieve excellence. Our Engineering college prides itself on cultivating an environment where creativity thrives, encouraging students to embark on projects and collaborative research endeavours. The institute ensures those meritorious and deserving students are not deprived of an opportunity solely on socio-economic constraints. Keeping in mind the motto of our Group of Institutions philanthropic idea, students will be offered with concession in fee, which has made an attractive strategy for the them to excel in their academics. The institute also encourages the faculties to enhance their teaching skills and involve the research activities, by permitting them to participate in FDP and conference, journal publications, apparently the faculties can share the gained knowledge with the student community as it will benefit the students to a great extent. Further, the institute always believes in the overall development of its students, this is done by organizing various placement training programs and the students are encouraged to participate in NSS activities.

The students training program involves training the students according to modules prepared suitably for each semester. The institute continued with EVENTS TRAINING PROGRAM (ETP) which has been successful in the previous years. ETP includes:

1. Campus Induction Program for first semester.
2. Personality Development Training Program for first to final year students.
3. Placement training for 5th, 6th, 7th and 8th semester students .
4. Corporate specific training is provided for deserving and needy students.
5. Professional development and work place excellence training to enhance the skill set of the students was done effectively for students of our institute.

Students are encouraged, motivated and sponsored to participate in prestigious Smart India Hackathon which is a nationwide initiative organized by MHRD and AICTE every year. This benefits students as they can inculcate a product innovation culture and a mindset of problem solving.

Professional bodies play a crucial role in upholding standards, fostering expertise and promoting ethical practices of its members. The Students are encouraged to enrol in various professional bodies like ISTE, IEI, CSI, IETE, IEEE, SAE, IFI, and IETE Students Forum (ISF). Various technical, non-technical and societal events are organized under these professional bodies, events organized are workshops, technical talks, seminars, guest lecturers, drawing events, poster designing competition, industrial tours and social events like visiting nearby schools to train young students, marathons to create awareness.

SAE India KSIT Collegiate Club has mechanical engineering and electronics engineering students, altogether participating in e-BAJA competition since 2017, which demands design and fabrication of off-road car powered by battery and motor. This Team has successfully participated in Mega ATV Championship held in Goa, by achieving 2nd All India Ranking and 1st in Karnataka in the year 2022 for which financial support was provided by the institute. The team is conducting internship programs in association with SAE India for Diploma students. Industrial visits have been arranged for students and faculty members under IFI club viz GTTC, Toyota Pvt Ltd.

Students' progress is monitored by established mentoring system in the institute, which involves the interaction and counselling of each student by the faculty and reporting the ward performance to parents/higher authorities. These unique attributes and values contribute to its distinctiveness which has a lasting impact on individuals and society.
