SUB: Inadequate and poor bus condition

Respected Sir,

The bus running from Laggere to KSSEM ie, Route No-12 that belongs to the KS Groups is in a very pitiable condition. The current bus that we are travelling by was given to the students and faculty members assuring that it'll be replaced by another one after six months. But nothing was brought into action. Though we never requested for a new bus, we definitely request the management to provide us a better bus to travel. There are members of bus who travel about 45-50 mins twice day which would cause a lot of inconvenience due to the pathetic condition of the bus.

I would want to draw your kind attention towards the condition of the bus, where there are many seats that won't facilitate a person to sit, since the bus is old, its maintenance has become a problem. The windowpanes are not functioning properly and tend to open on its own and in many cases they are found jammed. During winter or in rainy season, it becomes difficult to travel in such buses. Since the bus seats are made up of or covered by a cloth it often gets wet that would lead to shortage of seats as it becomes impossible to sit on it. The ceiling of the buses are often that helps the water penetrate easily inside due to which every passenger tends to get partially drenched in rain.

Also, seats in the bus are in bad condition and in a bad shape that causes numerous of physical aches. Most of the bold buses plying on long routes are seldom on time. Sometimes there's a problem in the engine and sometimes the tyre needs to be changed. Plus, driving such bus for the driver has also been a very tedious job due to jarring of the bus handle causing a tough job for the driver too. Hence the condition of the students & the faculty travelling by such buses has become pitiable.

Through these columns I request the authorities to look into the matter and redress the grievances of the passengers travelling by route No-12.

Below ^{are} the signatures of the passengers belonging to route No-12 who convey the issues as mentioned above.

Thanking You,

Your faithfully,

Students & faculty of Route No-12.
