UNIVERSAL HUMAN VALUES-II: UNDERSTANDING HARMONY and ETHICAL HUMAN CONDUCT

Title of the subject

Course Code	21UHV49	CIE Marks	50
Teaching Hours/Week (L:T:P: S)	2:0:0	SEE Marks	50
Total Hours of Pedagogy	20	Total Marks	100
Credits	01	Exam Hours	01

Course objectives:

This introductory course input is intended:

1. To help the students appreciate the essential complementarity between 'VALUES' and 'SKILLS' to ensure sustained happiness and prosperity which are the core aspirations of all human beings.
2. To facilitate the development of a Holistic perspective among students towards life and profession as well as towards happiness and prosperity based on a correct understanding of the Human reality and the rest of existence. Such a holistic perspective forms the basis of Universal Human Values and movement towards value-based living in a natural way.
3. To highlight plausible implications of such a Holistic understanding in terms of ethical human conduct, trustful and mutually fulfilling human behaviour and mutually enriching interaction with Nature.

This course is intended to provide a much-needed orientational input in value education to the young enquiring minds.

Teaching-Learning Process (General Instructions)

These are sample Strategies, which teacher can use to accelerate the attainment of the various course outcomes.

1. The methodology of this course is explorational and thus universally adaptable. It involves a systematic and rational study of the human being vis-à-vis the rest of existence.
2. The course is in the form of 20 lectures (discussions)
3. It is free from any dogma or value prescriptions.
4. It is a process of self-investigation and self-exploration, and not of giving sermons. Whatever is found as truth or reality is stated as a proposal and the students are facilitated to verify it in their own right, based on their Natural Acceptance and subsequent Experiential Validation – the whole existence is the lab and every activity is a source of reflection.
5. This process of self-exploration takes the form of a dialogue between the teacher and the students to begin with, and then to continue within the student in every activity, leading to continuous self-evolution.
6. This self-exploration also enables them to critically evaluate their pre-conditionings and present beliefs.

Module-1

Introduction to Value Education (4 hours)

Right Understanding, Relationship and Physical Facility (Holistic Development and the Role of Education)

Understanding Value Education, Self-exploration as the Process for Value Education, Continuous Happiness and Prosperity – the Basic Human Aspirations, Happiness and Prosperity – Current Scenario, Method to Fulfil the Basic Human Aspirations

1. Holistic vision of life
2. Socially responsible behaviour
3. Environmentally responsible work
4. Ethical human conduct
5. Having Competence and Capabilities for Maintaining Health and Hygiene
6. Appreciation and aspiration for excellence (merit) and gratitude for all

Assessment Details (both CIE and SEE)

The weightage of Continuous Internal Evaluation (CIE) is 50% and for Semester End Exam (SEE) is 50%. The minimum passing mark for the CIE is 40% of the maximum marks (20 marks). A student shall be deemed to have satisfied the academic requirements and earned the credits allotted to each subject/ course if the student secures not less than 35% (18 Marks out of 50)in the semester-end examination(SEE), and a minimum of 40% (40 marks out of 100) in the sum total of the CIE (Continuous Internal Evaluation) and SEE (Semester End Examination) taken together

Continuous Internal Evaluation:

Three Unit Tests each of 20 Marks (duration 01 hour)

1. First test at the end of 5th week of the semester
2. Second test at the end of the 10th week of the semester
3. Third test at the end of the 15th week of the semester

Two assignments each of 10 Marks

4. First assignment at the end of 4th week of the semester
5. Second assignment at the end of 9th week of the semester

Group discussion/Seminar/quiz any one of three suitably planned to attain the COs and POs for **20 Marks (duration 01 hours)**

6. At the end of the 13th week of the semester

The sum of three tests, two assignments, and quiz/seminar/group discussion will be out of 100 marks and will be **scaled down to 50 marks**

(to have less stressed CIE, the portion of the syllabus should not be common /repeated for any of the methods of the CIE. Each method of CIE should have a different syllabus portion of the course).

CIE methods /question paper is designed to attain the different levels of Bloom's taxonomy as per the outcome defined for the course.

Semester End Examination:

Theory SEE will be conducted by University as per the scheduled timetable, with common question papers for the subject (**duration 01 hours**)

1. The question paper will have 50 questions. Each question is set for 01 marks.
2. The students have to answer all the questions, selecting one full question from each module

Forms of violence

Rape, domestic violence, sexual harassment, acid throwing, reproductive coercion, female infanticide, prenatal sex selection, obstetric violence, online gender-based violence and mob violence, as well as harmful customary or traditional practices such as honor killings, dowry violence, female genital mutilation, marriage by abduction and forced marriage.

“Three R’s” to stop violence

“Three R’s” to stop the violence of workplace violence:

➤ **Recognized**

Commonly recognized warning signs include:

- Obsessing (preoccupation or constant worry about a single issue)
 - Disturbing writings or drawings
 - Talk of hurting others or themselves
 - References to weapons and/or violence
- **Reporting concerns** : Reporting methods should be communicated to employees in numerous ways. These include posters in break-rooms, email reminders, and intranet home page links to a reporting tool. Small banks in particular, where “everybody knows everyone,” might want to offer an external contact number for reporting.
- **Responding** : Preparing women and girls and training them to fight back against the violence.

- To create awareness about violence against the women
- To detail about violence, its forms and main causes
- 3 R’s to stop violence

Participant details - No. of Participants: 200 girls **tudents (internal/external)**: Internal girls students from the departments of Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering, Artificial Intelligence and Machine Learning and Computer Science and Design.

Description of the Event:

An awareness talk on “**Overcome of Harassment Challenges**” was conducted on 17th 2023 by Anti Sexual Harassment committee at K S Institute of Technology, Bangalore in association with Women's Indian Chamber of Commerce & Industry, (WICCI). Ms. Lakshmi A N Rao, Advocate and Legal consultant, member of Karnataka Anti Sexual Harassment Council – WICCI, was invited as a resource person. Dr. Dilip Kumar K, Princlipal/Director, K S Institute of Technology while presiding the event welcomed the resource person Ms. Lakshmi A N Rao. Mrs. Sangeetha V, Assistant Professor, Department of Electronics and Communication Engineering given welcome address before the attendees. Hamsa V, Soft skill trainer, Government empanelled POSH & POSCO Trainer was also a guest for the event.

The session was delivered by our Council Member speaker Lakshmi A N Rao. The focus of the talk was to make every girl aware that she has needs to raise her voice against sexual harassment. Lakshmi A N Rao described the evolution of the girl child right from her birth upto the various phases of her life she would go through and the challenges she would have to face and how she can overcome.

Our speaker also emphasized the various laws protecting women and children be it while they are at work or in schools or colleges. She mentioned that we can all help prevent sexual abuse and keep children and women safe before it happens provided we are aware and know how to safeguard ourselves. The students were asked to speak up and approach the authorities whenever any act of sexual harassment in any form is seen or undergone.

Council member, Hamsa V highly engaged students with an interactive exchange of pictorial representations of good touch and bad touch. The students spoke about each picture with great understanding and took an oath of safeguarding themselves and raise their voices against sexual harassment.

Students shared an overwhelming feedback and are looking forward to more such sessions for other classes soon. We would like to thank the Management, CEO and Principal for giving us the opportunity to address the students.

Participant details - No. of Participants: 150 girls and boys of First semester of various Departments.

SPEAKER

Dr. Hemavathi Srinivasan
M.B.B.S., D.N.B., F.F.M.M.
Consultant Obstetrician & Gynaecologist
Date: Friday, 11th Sept, 2020
Time: 2:00 PM

Dr. Hamsaveni, works as a Consultant Obstetrician and Gynaecologist, and also works as educator and content developer. She conducted number of workshops for children, teachers and parents. Dr. Hamsaveni became social worker from high school and joined Lions club international 10 year ago and currently serving as President for My Club BTM Nightingale, Bangalore.

Dr. Hamsavenipresented brief introduction on Women's hygiene and health issues during menstrual cycle. Speaker mentioned, now days women are getting the opportunities to talk freely about the problem that can face during menstrual cycle. Prime minister of India Mr. NarendraModi discussed certain related issue on menstrual cycle during independence speech 2020. Menstrual Hygiene Day is an annual awareness day on May 28 to highlight the importance of good menstrual hygiene management. It was initiated by the German-based NGO WASH United in 2014. In low-income countries, the choices of menstrual hygiene materials are often limited by the costs, availability and social norms.

28 May
**MENSTRUAL
HYGIENE DAY**

In webinar Doctor provided brief introduction on menstruation cycle, various risk factors of using sanitary pads and challenges in disposing of used sanitary pads.

Doctor also mentioned that usage of Disposal Tampons are not good and causes many health issues.

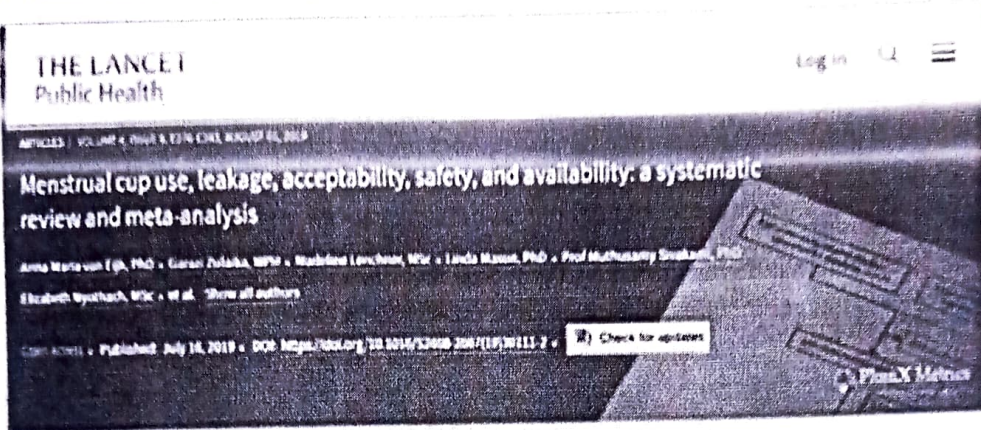

Eco hazards

- Single use product made up of plastic, chemicals
- No option of reuse/recycle/reduce
- Swells in water—chokes drains
- Foul smell
- Attract flies, insects and animals
- Dogs get them from garbage and spread all over roads
- Sanitary workers exposed to diseases as they separate it manually
- Sewage system clogging
- Contamination of underground water

Doctor provided information on various reusable/sustainable hygiene products such that

1. Reusable cloth pads
2. Reusable Tampons
3. Menstrual Cups
4. Bamboo Fiber Pads
5. Banana Fiber Pads
6. Water Hyacinth Pads

and usable of these products, advantages and disadvantages of these products.

This systematic review suggests that menstrual cups can be an acceptable and safe option for menstrual hygiene in high-income, low-income, and middle-income countries and menstrual cups are an alternative to disposable sanitary products, even where water and sanitation facilities are poor.

EVENT: WOMEN'S DAY CELEBRATION

#EACHFOREQUAL

Programme Objectives:

- To enlighten the objectives of women empowerment, the importance of values that guide women in the right path.
- To celebrate acts of courage and determination by ordinary women, who have played an extraordinary role in the history of their countries and communities.

IEEE KSIT along with WIE affinity celebrated the women's day on 9th March 2020. The celebration took place at the ECE seminar hall with 155 members including IEEE members, non-IEEE members, the EXECOM, the staff and HODs from all the departments.

The Chief guest, Mrs. Kumudhini Ravindra, the vice-chair of WIE IEEE Bangalore section, graced the occasion by lighting the lamp along with our college dignitaries. She addressed the gathering, enlightening objectives of women empowerment, the importance of values that guide women in the right path. This was followed by release of magazine called Prerana, the fifth edition and felicitation to the chief guest.

The chief guest proposed for an interactive session during which many students gave in their ideas about women driven entrepreneurship and gender parity. Then, the principal and the management addressed the gathering by speaking about achievements and role of women in our society and forged purposeful action for equality.

The celebration continued with cake-cutting ceremony and ended with a vote of thanks.

ANTI SEXUAL HARASSMENT COMMITTEE
REPORT ON

Nurture the Future-Empower the Adolescent Girls

The event for girls under Anti Sexual Harassment (ASH) committee, KSIT as per VTU notification dated 21/7/2017 with Ref: VTU/BGM/ICC/2017-18/3118 was conducted on 3rd September 2018. The event consisted of a talk on “Nurture the Future-Empower the Adolescent Girls” by Dr. Hemavathi Srinivasan, MBBS, DNB(OBG) FFMM at 1.30pm to 2.15pm in Electronics and Communication Engineering seminar hall followed by “Women’s Safety” tactics demonstration in quadrangle by Dr. Ritesh Reddy, Director, Institute of Combat Studies and team, at 2.30 pm. More than 150 girl students were participated in the event.

In the talk, Dr. Hemavathi Srinivasan discussed about the effects of Polycystic Ovary Syndrome (PCOS) and Polycystic Ovary Disease (PCOD) in a women of reproductive age.

Doctor advised all the young girls to follow the below mentioned tips for healthy lifestyle

- The girls should be advised to adopt healthy life style in the form of balanced diet, having locally available food articles like all cereals, pulses, beans, green leafy vegetables, seasonal fruits, jiggery and dairy products.
- Monotonous diet should be avoided as it will cause nutritional deficiencies.
- Under the effect of advertisement in TV and print media, they should avoid to become crazy to soft drinks, chocolates and junk food.

- They should be advised to play out door games and regular physical exercise like cycling, skipping, jogging, running and swimming etc.

Exercise
Obesity and irregular periods can be controlled by regular exercises.

Yoga
Yogasana helps in relieving PCOD symptoms by reducing the inflammation in the body.

Pranayam
Pranayam can greatly help in getting the hormones back to normal.

Diet
Include fruits, salads and green leafy vegetables. & reduce intake of refined carbs and dairy products.

Next event started with the demonstration given by the team from “Institute of Combat Studies”, Bengaluru. The demo was completely about different methods to be followed by women/students to safe guard themselves from different discomfort situations.

Mrs. Pushpanjali Reddy and team explained how to protect our self in anxiety situation using our day to day usage items such as keys, bags, mobile, paper etc and what tricks can be used to handle the attacker by live demo. Example **Dig the eyes out, poke the eyes, hit the nose with the base of the palm, dig your fingers below the adam’s apple.**

Fig1. Picture from "Women's Safety" book

Team of combat studies presented "Women's Safety" by Dr. Ritesh Reddy, #protectyourself and "de Facto" books to principal, ASH Chief co-ordinator and co-ordinators of all departments.

The event was concluded by taking a group photo with Dr. Hemavathi Srinivasan, Team of combat studies, ASH Chief co-ordinator and other co-ordinators of respective departments.

IEEE KSIT STUDENT BRANCH
EVENT : WOMEN'S DAY CELEBRATION

WIE KSIT affinity group along with IEEE KSIT SB celebrated international women's day on 8th march, 2019. Women's day is an international celebration of women's achievements in various fields and a call for gender parity. It's a way of telling the world about women's struggle for equality, that everyone has to be treated equally.

The theme for international women's day 2019 is "BALANCE FOR BETTER". The chief guest was Ms. Purnima Nambiar, who is a founder and CEO of Trimtab intervention and guest of honour was Mrs. C. Saraswathi Nagarajan who is a system engineering consultant, UG academy, both gave a speech on women empowerment and her importance in various fields for the young minds. Further it was followed by cake cutting celebration. The day ended with distribution of sweets to all WIE members to mark the celebration. We sincerely thank KSIT for giving us an opportunity to celebrate international women's day and making it a grand success.

INTERNATIONAL GIRLS IN ICT DAY

The event for girls under Anti Sexual Harassment (ASH) committee, KSIT as per VTU notification dated 21/7/2017 with Ref:VTU/BGM/ICC/2017-18/3118 was conducted on 25th April 2019. It was 3hrs session (10 am to 1 pm) conducted in conference hall. Girls from 6th and 4th sem Computer Science and Engineering Department, 6th sem Electronics and Communication Engineering Department, 8th, 6thsem and 4th Tele Communication Engineering Department and 6th sem Mechanical Engineering Department were participated.

The event was organized by Oracle in association with KSIT. Program Coordinators are Dr. Kamal Deep Peter, Sr. Program Manager, Corporate Citizenship, Oracle India and Parthasarathi Patel, Principal Member of Technical Staff. Oracle volunteering team consist of Hemant Bansal, Principal Member Technical Staff, Deepali Pandey, Senior Solution Consultant – Oracle Platform Cloud &Technology, Kiran Kumar Tippani, Solution Engineer Emerging Technologies | IOT | Chatbots | Blockchain | AI/ML |Solution Engineering Hub India Interactive, Moumita Das, Sales Consultant - SCC Interactive.

The event was started with the introduction of team members by Dr. Kamal Deep Peter. The first talk on cloud computing was given by Hemant Bansal.

Topics name: Cloud - Models, Technologies and Learning Resources

Mr. Hemanth discussed about how Cloud computing has become a big deal in IT, as businesses of all sizes are pushing forward with cloud projects. He mentioned that cloud saves a lot of cost, reduces the downtime and helps the organization stay with latest tech stack. Cloud computing presents a number of new employment opportunities for qualified individuals in the IT space. In a competitive job market, it is crucial to have Cloud Skills whose demand is on the rise. It is important for students to know what kind of cloud skills companies are looking for today to land up in good jobs.

The session informed students on how to kick –start their cloud careers with knowledge, relevant training and certifications in the field and boost their employability chances.

Mrs. Deepali Pandey had discussed about how Blockchain are shaping the 4th Industrial Revolution and a fully autonomous future. The session included discussion how students can invest their time wisely in these areas and give a fillip to their cars with a Q&A at the end of the session.

Mr. Kiran Kumar Tippani and Ms. Moumita Das had delivered a talk on Cyber security. This presentation was useful for students to delve deep into security market, showcase them how to build a leading career in Cyber Security and the different facades of a Security researcher. Finally session was ended with Q&A. During this Dr. Kamal Deep Peter encouraged student by presenting small token appreciation for correct answers.

Oracle had arranged snacks consisted of samosa, sweet and butter milk for all participants and staffs. At the end all students were very happy in gain of knowledge on various technologies.

The event was concluded by taking a group photo with Dr. Kamal Deep Peter, Team of combat studies, ASH Chief co-ordinator and other co-ordinators of respective departments.
