REPORT OF ONE WEEK AWARENESS PROGRAM ON

Cauvery Calling-Action Now

A one-week awareness program was organized by NSS UNIT and Department of CSE at KSIT, about "Cauvery calling" from 31st August to 7th September.

On 8th September "Calling Rally Event was organized by ISHA Foundation" in which all the KSIT NSS members and other students volunteered to be a part of the event.

Awareness created regarding:

1.Cauvery's Depletion

- Cauvery has depleted over 40% in the last 70 years
- 87% of the basin's original tree cover has been lost
- During the summer, Cauvery is unable to reach the ocean
- 70% of Cauvery basin's soil suffers erosion

2.Farmer Distress

- 83% of farmers in Tamil Nadu and 77% of farmers in Karnataka are in debt
- 17 districts in Tamil Nadu were drought-hit in 2019
- 15 of the last 18 years have been drought years in Karnataka
- Almost half the Cauvery basin suffers critical groundwater depletion

3. Saving Cauvery

To reverse this dire situation, revitalize Cauvery, rejuvenate the soil, and improve farmers' income, Cauvery Calling will support farmers to plant 242 crore trees. It is estimated that these 242 crore trees will increase water retention in the Cauvery basin by about 40%.

4. Calling rally event

On Sept 8th, which marked day 7 of intense Cauvery Calling action dignitaries like B.S Yediyurappa- "Chief Minister of Karnataka", Kiran Mazumdar-Shaw, Shri C.T Ravi and Rajamata Shrimathi Pramoda Devi. In the event, CM explained that the forest department has already started to prepare the 2 crore saplings to distribute among the farmers. Whilst Sadhguru at the end of the day spoke about the accreditation from

UNCCD(United Nations Convention to Combat Desertification) for showing the Cauvery revitalization as a model to the whole world. By inspiring everyone irrespective of old or young that saving our rivers is our ability to respond as being Human. He concluded on a powerful note saying-" Let us make it Happen".

Nutritional Diet awareness: 14:09:2019

Overview:

Nutrition is the process of consuming, absorbing, and using nutrients needed by the body for growth, development, and maintenance of life.

To receive adequate, appropriate nutrition, people need to consume a healthy diet, which consists of a variety of nutrients—the substances in foods that nourish the body. A healthy diet enables people to maintain a desirable body weight and composition (the percentage of fat and muscle in the body) and to do their daily physical and mental activities.

If people consume too much food, <u>obesity</u> may result. If they consume large amounts of certain nutrients, usually <u>vitamins</u> or <u>minerals</u>, harmful effects (toxicity) may occur. If people do not consume enough nutrients, <u>under nutrition</u> may develop, resulting in a nutritional deficiency disorder.

Susceptibility to various problems change as people age. Each person's risk factors are unique. A thorough understanding of what they are is necessary to adequately reduce those risks .so **NSS KSIT** student branch in collaboration with VHD Central institute of home science, Bengaluru conducted "**Nutritional Awareness**" program on 14th November 2019. The main objective of this event was to provide good health to the fellow KSIT members.

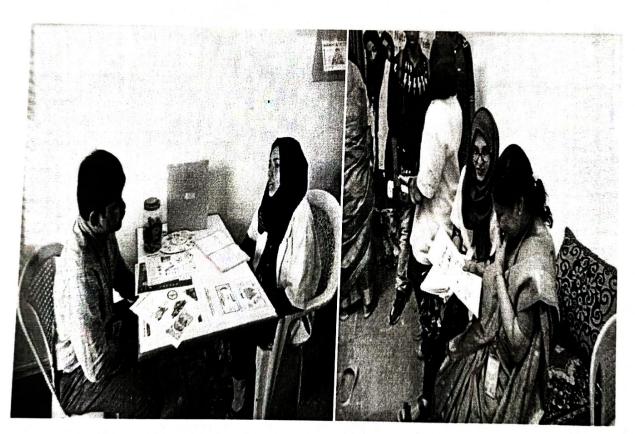

100 students along with staff members actively participated in this event. Faculty members of VHD Central institute of home science diagnosed problems of the students, staff & provided beneficiary advices regarding their health.

NSS volunteers served as a helping hand to the doctors by assisting them in the service. NSS KSIT sincerely thank VHD Central institute of home science for their support.

Swachha Bharat Abhiyana: 16/09/2019

DATE: 16/09/2019

TIME:10 AM Onwards

NAME OF FACULTY INVOLVED: Mr.CHOWDAPPA.M.R , N.S.S.P.O

OBJECTIVE: To contribute in swachh bharat abhiyan activity & undertake cleanlines

drive

VENUE:YELCHENAHALLI GOVERNMENT SCHOOL CAMPUS

Total No. of Participants: 50 students

It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make defecation free, zero waste, dust free, plastic free and green.

Hon'ble Prime Minister of India gave a call for 'Swachh Bharat' as a mass movement to realize Mahatma Gandhi's dream of a Clean India. Hon'ble Prime Minister desired that a nation wide campaign be organized with the participation of all sections of the society to bring about mass awareness on cleanliness and the government officers should also ensure participation in the cleaning of the government offices and other places. The intensive national cleanliness campaign started from 25th September 2014. The Hon'ble Prime Minister said it is our social responsibility as citizens of India to fulfil Mahatma Gandhi's vision of Clean India, by his 150th birth anniversary.

ACTIVITIES: It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. The **NSS** unit of **KSIT** organized Swachha Bharat Abhiyana program at Yelchenahalli Government school on 16th September 2019.NSS volunteers of KSIT and school children were made aware of the 'Swachh Bharat' mass movement by Cleaning the premises and planting the saplings. Extensive cleanliness drive was undertaken in and around the campus.

CONCLUSION: The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean.community people were encouraged to maintain their surrounding clean. Thus the students of **K.S.I.T** have initiated one steps towards-cleanliness"

DATE: 21/09/2019

TIME:10 AM Onwards

NAME OF FACULTY INVOLVED: Mr.CHOWDAPPA.M.R,N.S.S.P.O

OBJECTIVE: To contribute in planting activity to save our environment.

VENUE: Jayamangala village, Malur taluk, kolar district

Total No. of Participants: 50

The purpose of tree plantation is save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. The lives of men and other animals and insects are inconceivable without the existence of trees in the world. Trees absorb carbon dioxide and give us oxygen without which no living being can live. Trees give us shade, medicine, food, fruits, furniture, fuel etc. Trees also keep the weather cool and cause rainfall. They also bind soil and thus prevent erosion. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

On 21th SEPTEMBER, 2019, NSS UNIT OF KSIT participated in the event HASIRU ABHIYANA a tree Plantation program at Jayamangala village, Malur taluk, kolar district in association with Jayamangala Grama panchayat and Taluk advocates association. The event was inaugurated by Mr. Ragunatha.K, president of Jayamangala Gramapanchyat, Mrs.Banumathi PDO, and members of Taluk advocates association. Mr. Ragunatha.K orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS. He said that "In society all the human beings are comprise equal importance, no matter with the Men or Women." He also said that the dedication is must to accomplish the goals and dreams in life. Mrs.Banumathi also address the volunteers and passed a message of kindness & being helpful to the needy people. After the inspirational words of guests NSS volunteers started to plant different types of saplings. Total tree planted by all others including NSS volunteers and guest was more than 500 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

Activity Head: Helping local schools to achieve good results and enhance their enrolment in higher/Technical/Vocational Education.

Objectives of the program:

- To develop an interest in students towards arts and crafts
- To enhance the creativity of the students
- To enhance the memory and visual learning of the students
- To improve the hand-eye coordination

Outcomes of the events:

- We understood the interests of the students
- It was a change for the students form their regular routine classes
- They learnt about the crafts and was benefitted by the knowledge

Events Conducted: A crafts session for grade 3 students

Students from 4th semester, K.S Institute of Technology visited government school, Agara on 22nd February,2020. The students got divided into groups to teach the children in the school.

Image 1: Jhanavi V teaching students how to make a butterfly

The group who taught drawing for the students was:

- 1. Ananya Ananth -ECE Department
- 2. Megha R -ECE Department
- 3. Janhavi KP ECE Department

4. Jhanavi V-ECE Department

5. K Rishika Ravi - ECE Department

The school students were made to recollect the different colors. They were then taught to do a butterfly using a craft paper by Jhanavi V. The children were amused and enjoyed

Ananya Ananth took over the session. She taught the school students how to do a Hat playing with the butterfly. with the craft paper. The students were happy that they can create their own hats. After which

the students were made to play games to test their concentration.

Next, they were taught to make flowers. After which they were taught to write a thank you letter to their family members and friends and they were also taught to make an envelope to put the same.

By the end of the session, students could make their own crafts. This session helped them

to improve their creativity and concentration.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING ACTVITY HEAD REPORT

ACTIVITY HEAD 1: Helping local schools to achieve good result and enhance their enrolment in Higher/Technical/Vocational Education.

NAME: JYOTSNA UPADHYE USN: 1KS18EC036 SEM & SEC: IV SEM, A SECTION

DURATION OF ACTIVITY:

DATE:

EVENT CONDUCTED: Word Puzzles for 6th standard students.

OBJECTIVES: Some of the objectives of the event are as listed below.

- They are fun for the whole family so the whole family can get involved in it.
- They appeal to techie kids.
- They help with test preparation.
- They are portable.
- They help develop word recognition.
- They assist in learning context clues.

<u>OUTCOMES:</u> Word Puzzles such as cross words and logic problems, where children have to access vocabulary and definitions from memory, can help to improve their working memory. This can then also have an effect on their learning and achievement.

Word Puzzles can help improve children's processing speed, so that they are able to solve problems and arrive at the correct answer, faster. This doesn't just help with other classroom tasks that require quick thinking, such as mental maths.

CONDUCTION: As soon as we entered the classroom, the kids were excited to know why were there. So we introduced ourselves and got to know the kids also. We explained them why we were there and what were we going to play. For some warm up we played word building. Then, we gave them few word puzzles wherein they had to search for words. They learnt words and also they came to know their meanings. Very importantly we also taught them how to pronounce the words and how to use those words in sentences by giving them some examples.

ACTIVITY HEAD 1

"Helping local schools to achieve good result & enhance their enrolment"

Date of Conduction of Program: 15thFebruary 2020.

Venue: KPSM school, Kanakapura

Organized by: Department of Computer Science and

Engineering, KSIT

Conducted by: Sneha Karamadi, Asst. professor, Dept. of CSE, KSIT along with Mrs. Vijayalaxmi. M,Asst. professor, Dept. of CSE, KSIT and Mrs. Mamatha R,Asst. professor, Dept. of CSE, KSIT.

Participants: 4th sem students, KSIT.

Scope of the program: -

One of the best ways to see deeper learning in action is to visit schools. For many policymakers and educators, these visits are transformative, offering them an opportunity to be escorted through the school environment by student guides, visit classrooms, see teachers facilitating student learning, and talk to administrators about their role in creating an engaging learning space for all. Through school visits, student participants gain a greater understanding of why it's important to help young people prepare for college, career and life not only by academic knowledge, but also by mastering skills such as critical thinking, problem solving and teamwork.

Objectives of the program: -

It helps in clarifying our trip goals and to think about our theory of action.

- Students will have a contemplating change, to a period of preparation, and taking active participation.
- This purpose with these trips is to promote deeper learning opportunities for all students.
- It tells the culture and pattern of learning followed by the students and to conduct
 academic based activities along with fun activities so that the passion and interest the
 students have in learning would increase in the future and so that they start to imbibe
 the culture of loving and enjoying the concepts they would study in the future.

Program Schedule: -

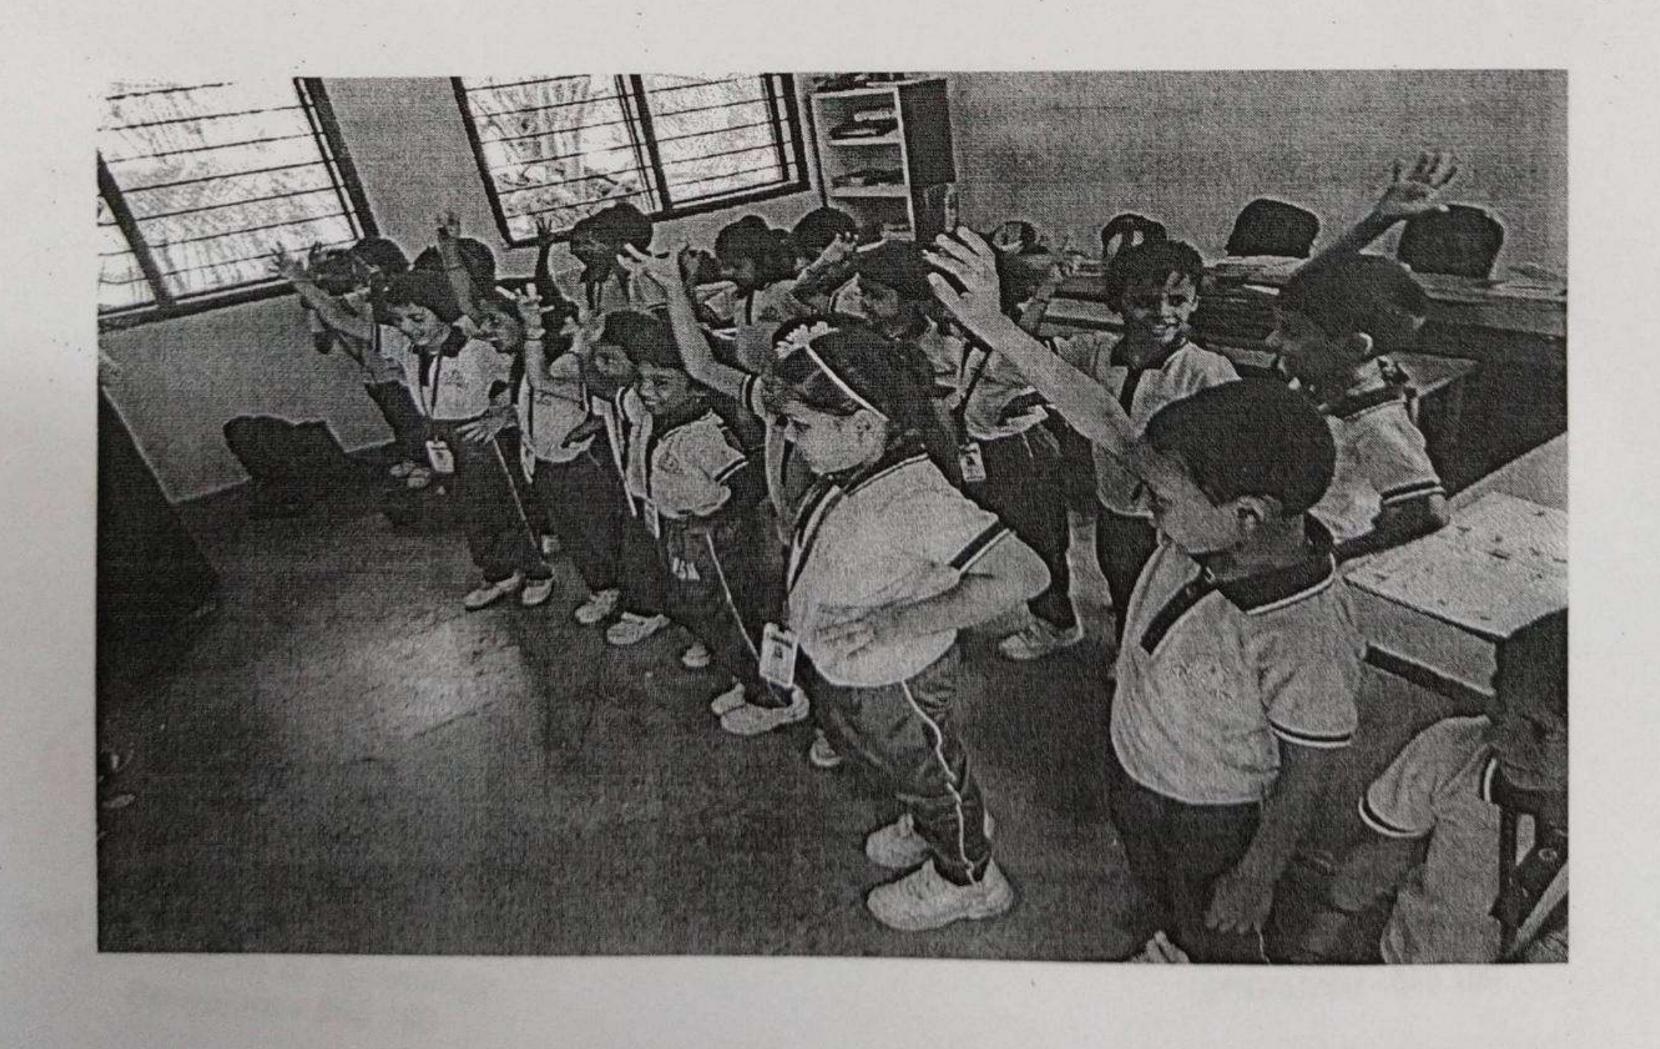

Session 1: We all started at college and reached KPSM school, Kanakapura in about an hour. All the students were guided by the professors and few of the school teachers about the rules and regulations of the school. Students were already prepared andhad planned to conduct various fun and academic based activities for the students studying in kindergarten and from grade 1 to 8.

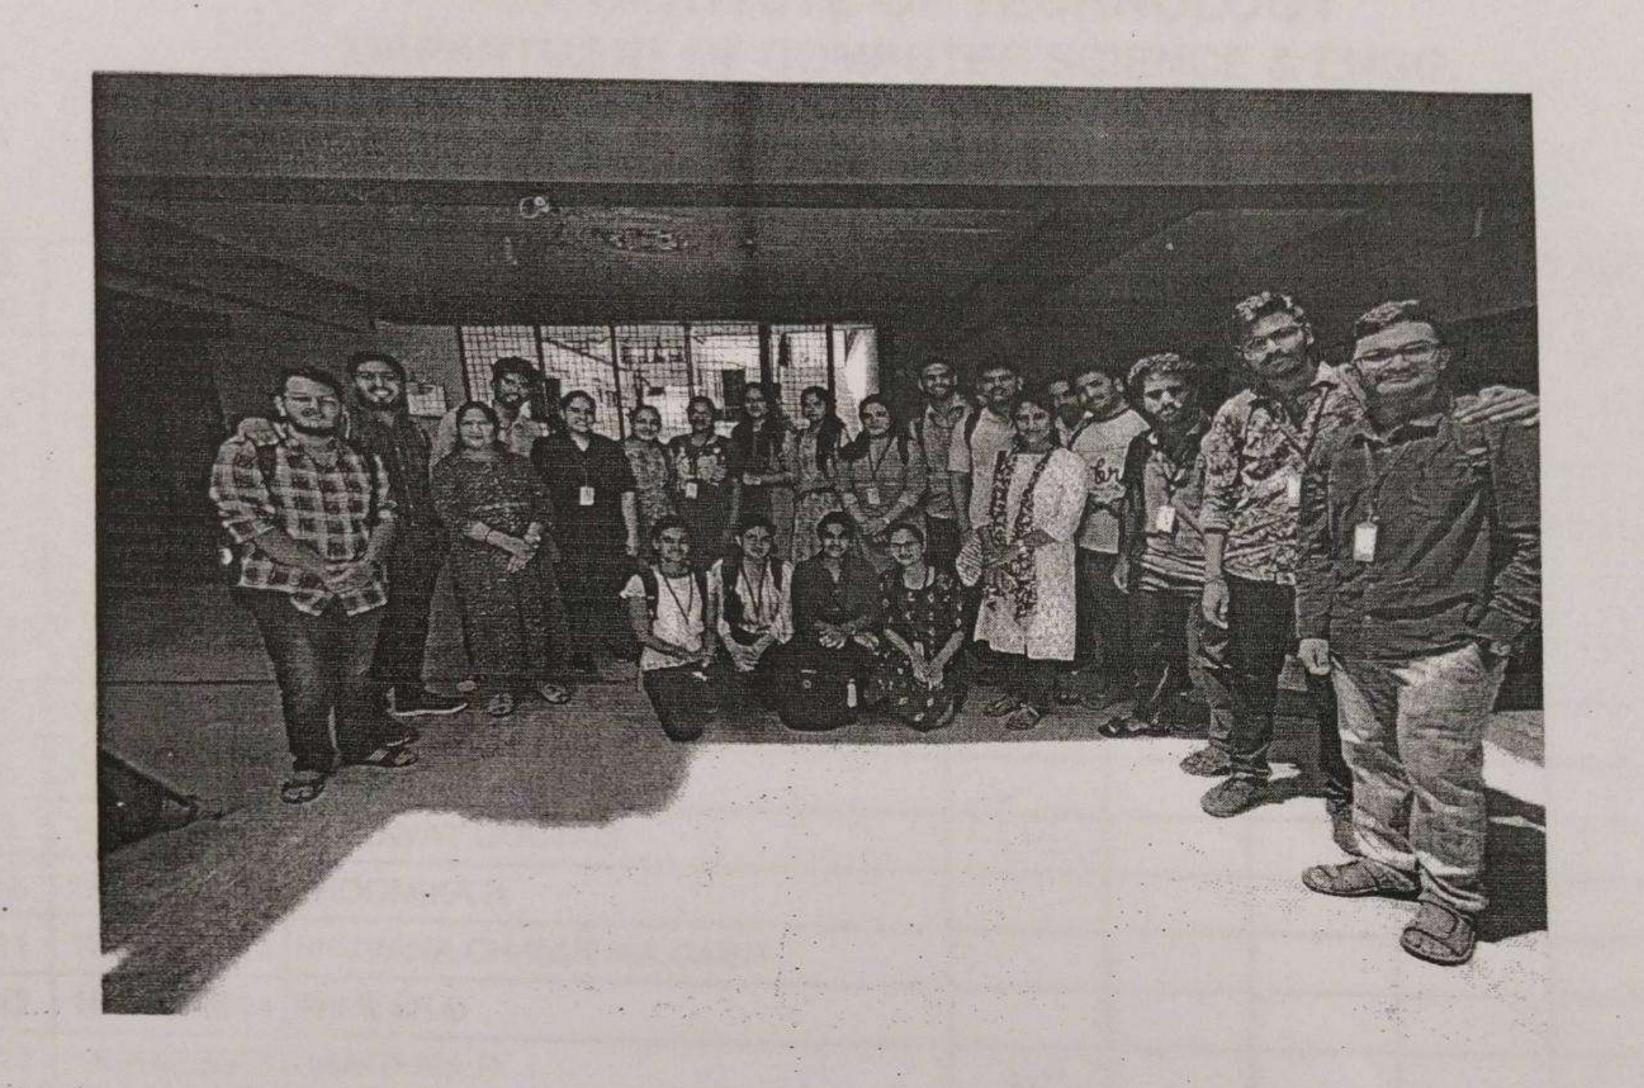

Session 2: The students had a brief session with the chairperson of the institution about what is the main objective of this activity and how to teach the students in different ways like teaching them with enjoyment, fun and interest. Later, all the teams were sent to their respective classes allotted.

Session 3:Every team had planned different activities for different grade studentslike for LKG and 1st grade students they taught rhymes and few dance moves,2nd to 4th grade they taught yoga, craft and drawing, puzzles, from 5th to 8th grade they taught riddles, arithmetic operations, quiz, team building activities, pick and speak etc.

Session 4:All the students were full of energy and enthusiasm to teach and learn all the activities. Later, as we had planned before, we gave all the students we engaged with, chocolates and a pen as a token of appreciation and wished them all luck before leaving. All students were evaluated by the teachers of the school on the way of the interacting with the students. Our trip ended, after which we returned to our college.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

"To skill rural population"

Date of Conduction of Program: 22nd to 23rd February, 2020.

Venue: Vajarahalli and Bayyanapalya villages .

Organized by: Department of Computer Science and

Engineering, KSIT.

Conducted by: Ms. Sneha Karamadi, Asst. professor, Dept. of CSE, KSIT.

Participants: All students of 4th sem, KSIT.

Scope of the program: -

In our country, recent initiatives by the Government, such as "SKILL INDIA" and "MAKE IN INDIA" in order to bring pace in the country's development. Both these programs facilitate a cycle of high productivity, increased employment opportunities, income growth and development. In our country almost three fourth of Indian population lives in villages. Therefore, Indian Human Resource is primarily based in rural areas, so, to identify the needs (skill set) of villagers for local level opportunities of income generation, they must be provided age-appropriate skill training which includes skilling, re-skilling and up-skilling. So the survey was done to collect some data on the education qualification along with the skills acquired by the youth in order to pursue their career.

Objectives of the program: -

- Skill and knowledge are the key factors for socio-economic growth of the country.
- The prime objective of the survey is to know the needs of the youth so as to render appropriate skill set to them, for achieving rapid and inclusive growth and success in their field of interest.
- To collect appropriate information in order to organize training programmes for the interested candidates.

Program Schedule: -

Session 1:

All the students along professors started at college and reached the nearest village. Later, a small introduction was given to the students in order to understand the importance of the survey by granting them some knowledge about what is the objective of survey. Then students were divided into 6 groups.

Session 2:

Every group, each of 20 students were sent to different areas along with their faculty in charge. Then each student dispersed towards the houses to collect the valuable data of the localities and entered the same in survey sheets. All the faculties and the local corporate office workers guided students to various locations of that area.

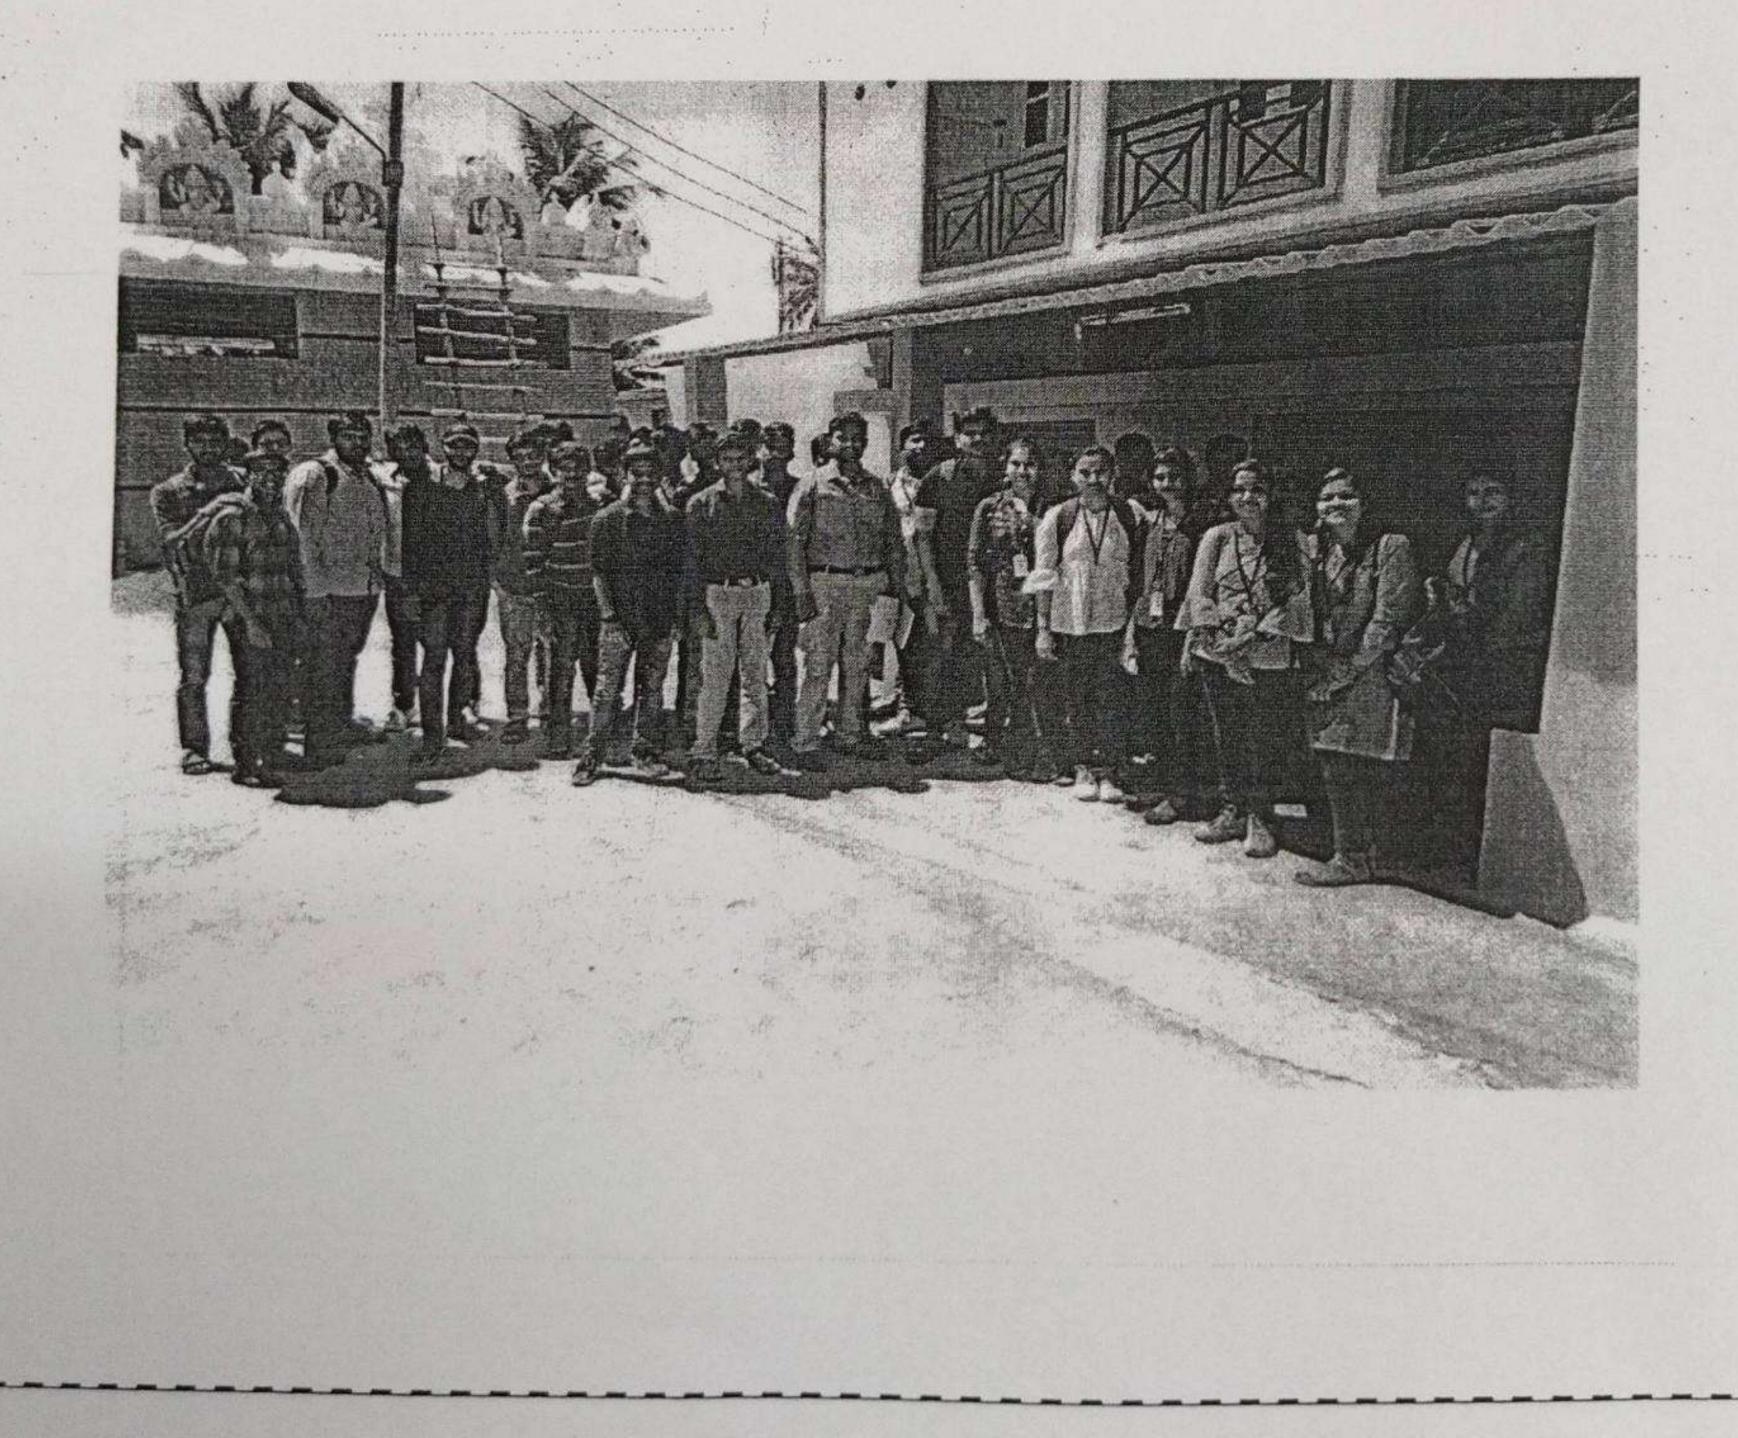

Session 3:

Students collected the details were ranging from age of 18-28 years. Most of the youth were engineers who have completed their B.E degree followed by M.Tech programme and the one's who are unemployed have a great interest in pursuing extra courses related to their domain. The survey sheets were submitted to the respective faculty in charge.

Session 4:

The activity ended after which all students and faculties reached the college and there after dispersed home. Students concluded that they have gained some knowledge about how the youth of today is choosing their "EDUCATIONAL DOMAIN" and adapting to certain "SKILLS" in order to build their "CAREER", their way.
