ROAD SAFETY AWARENESS PROGRAM

Date of Conduction of Program: 22-11-2022

Venue: Saraki circle (jp nagar metro station)

Organized by: Pragati Mitra

Duration: 1:30pm to 3:30pm

Participants: Members of pragati Mitra, Police officers and Nss volunteers

HISTORY OF ROAD SAFETY AWARENESS

The first road safety awareness week was observed in 1989 when the country lost 36,000 people in traffic crashes. On 15 March 2010, India's Union Cabinet approved the National Road Safety Policy based on the Sunder Committee's recommendation in a report is submitted in February 2007.

SCOPE OF THE PROGRAM

India is celebrating 75 years of independence. This is a special occasion for all the countrymen to commemorate the birth of a free nation after the relentless efforts of freedom fighters and revolutionaries against the oppressive British rule. The celebration of Independence Day honours the sacrifices of our courageous leaders and freedom fighters, who gave their all for the sake of the nation and the countrymen.

OBJECTIVES OF THE PROGRAM

The aim of celebrating the campaign road safety week is to promote road safety measures in the community, schools, colleges, workplaces, on roads and etc. To decrease and completely remove out the road accidents, road accident death, and injury cases by applying the road safety measures. To encourage all the travelers to follow the traffic rules and wear helmets and seat belts while driving To implement the new preventative measures which are proved to lessen the risk of road accidents, death or injury.

HIGHLIGHTS OF THE PROGRAM

We all assembled at Saraki signal at 1:30 pm on 22/11/22, At first we where given instructions about the awareness program and everyone was handed an pluck card ,and few held the banner .At 1:30pm program started nss volunteers held the banner and pluck card ,then the awareness was given by the head of pragrati Mitra and traffic police of Jp nagar , After 2rounds of Saraki circle giving awareness , then we ended the program .The snack was provided by pragati Mitra to NSS volunteers .

SEMINAR ON ROAD SAFETY

Date of Conduction of Program: 17-01-2023

Venue: Ground floor seminar hall (OB)

Organized by: NSS unit of KSIT

Duration: 12.30pm-1.30pm

Participants: Principal of KSIT, Basic science HOD, NSS PO, Officers from police

dept. (Jayanagar branch) RTO and students

OBJECTIVES OF THE PROGRAM

To share knowledge and guide students under safety while driving on the road

HIGHLIGHTS OF THE PROGRAM

The event started off lightning the lamp and Ms. Anuradha addressed the gathering. The circle inspector Venkatesh (Jayanagar) gave the students an engaging session talking about road safety and mandatory measures that should be followed by everyone.

He thought the students 6 hand signs that should be followed while driving and stated all basic signs everyone should know like regulatory, warning, and guide signs. Then the vote of thanks was proposed by Ms. Anuradha.

FREE VACCINATION DRIVE AT KSIT CAMPUS

ON

25th JANUARY 2023

Organized by

KSIT COVID TASK FORCE TEAM & KSIT NATIONAL SERVICE SCHEME (NSS)

In Association with

PRIMARY HEALTH CENTER, ANJANAPURA, BENGALURU

CONTENTS

Covid-19 Task Force Team and National Service Scheme (NSS) of K.S. Institute of Technology has been constantly conducting events to create awareness among student and faculty about COVID-19 to create a healthy environment at the institution. One more important step towards eliminating COVID was to get the vaccination done at college campus to all staff, students, and their family members. COVID -19 Cell of KSIT organized a free first/second/Booster dose vaccination drive on 25/1/23 in association with KSIT NSS Unit.

The vaccination drive started with Inauguration at 11.30 in Seminar Hall, Ground Floor, New Building. Honourable, Principal Dr. Dilip Kumar K, and 4 Primary Health Care officials of Primary Health Center, Anjanapura Bnagalore, KSIT NSS Officer Dr. Naveen V and other faculty coordinators along with COVID Task Force Team attended the inauguration.

Dr.Surekha Borra, COVID Task Force Chief welcomed the gathering. Later, Dr.Dilip Kumar K, welcomed Prakasha MS, Primary Health inspecting Officer, Padma M, Primary Health community Officer, Ms. Sowmya K, Lab Technologist, Ms. Shabeena Bhanu, Asha Worker, Primary Health Center, Anjanapura with bouquets, and addressed the gathering.

NSS WORKSHOP

ON

PROMOTION OF MENTAL HEALTH IN YOUTH

Date of Conduction of Program: 16-02-23 & 17-02-23

Venue: KSIT Conference Hall

Organized by: NIMHANS in association with NSS unit of KSIT

Duration: 9:30am-5:00pm

Participants: NSS Volunteers from KSIT and 5 different Colleges.

Total: 50 NSS Volunteers

HIGHLIGHTS OF THE PROGRAM

DAY-01

NSS volunteers numbering 50 in total from KSIT (30) as well as from other colleges like KSSEM, JYOTHI, CITY, RRIT & GLOBAL ENGINEERING COLLEGES where 4 NSS volunteers from each college attended the workshop. NIMHANS psychology team guided us throughout the days by giving us counselling and healing guidelines. We were divided into teams interacting consisting of other teammates of other college too.

Mr. Shivanand took up the first session- we had a group discussion based on health and mental disorders. Students were asked give presentation about few mental health topics. The next session was taken by Mr. Ashok and gave us activities on Reaction towards stress by a role play session which was interesting. Lunch was provided by the college management in the college premises.

The afternoon last session was taken by Dr.Padma. She gave us a brief explanation about suicidal thoughts and symptoms and counselling tips to help our peers and others in the society.

DAY-02

The first session started off with Mr.Ragu the students were asked to sit around in the circle to make the atmosphere even more interacting. After some brain storming session we had a small tea break. Refreshments were provided on both the days. The second session was about Interpersonal relationships and Substance use in college students by Mr.Ashok.

Post lunch session was about training students for counselling their clients and the students were asked to do role play. There was a debate session in which students were asked to talk about (HEALTHY TECHNOLOGY USE) the use of internet in the current generation and how it affected the youth.

The latter session was concluded by the NIMHANS trainees and they also took our feedbacks and in the end students were given the workshop certificates.

"BLOOD DONATION CAMP"

DATE: 08/06/2023

Venue: KSIT new building, 5th floor

SCOPE: To donate blood and gift someone a precious life.

OBJECTIVES :

- 1. To sensitize the need of donating blood to the needy in time
- 2. To instill the feeling of helping others to breathe life with their precious donation
- 3. To motivate all students to take a pledge to donate blood at least once in a year
- 4. To impart to them the value of blood donation
- 5. To aware of the scientific information about the blood group

HIGHLIGHTS OF THE PROGRAM:

Human blood is an essential element of human life with no substitute. With the motto "Drop a blood now, for those who need it later", NSS wing of KSIT under the umbrella of National Service Scheme(NSS) organized "Blood Donation Camp" on 08/07/2023 in association with Rotary Club of Bangalore Vidyapeeta and Indian Red Cross Society at KSIT new building, 5th floor. The camp was inaugurated with a motivating session by the experts and senior doctors to make students aware about the importance of this best practice. Prior to donation, the donor Students will be screened to identify their quality of blood to be collected. The underweight and the infected persons will not be allowed to provide donations as the medical advice. Donors will be informed that by each donation their blood cells will be rejuvenated and hence youthfulness in the blood will be present on every occasion.

- · The donor Students will get free health check-ups in identifying the pulse rate, Blood pressure, Body temperature, and Hemoglobin level.
- · The donor will be informed of their blood group.
- · The donor students are given a certificate of appreciation.
- · The sick students will get proper medical advice from the health personnel's.

All NSS volunteers actively took part in Blood Donation Camp and students & faculty members also took a great initiative in donating their blood to gift someone a precious life.

PROGRAM OUTCOMES:

At the end of the programme, the following PO's are attained.

NSS	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO 11	PO 12
NSS PROGRAMME						2	3		3			3

Justification of PO mapping:

- Students can able to assess societal, health, safety, legal and cultural issues and the consequent responsibilities.
- Students can able to Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change

Later we had our breakfast and everyone started to make preparations for the health camp which was the main schedule for the day. Free Health Camp was organized at Samudhaya Bhavana for villagers. The National Service Scheme of K S Institute of Technology, in hands with Sapthagiri hospital Bangalore, organized a one-day free medical camp for the benefit of public in Kemmale Village on 26th June 2023 (Monday). The medical camp was conducted at Samudhaya Bhavana at Kemmale village and its organizing team included 25 NSS volunteers led by Some Senior doctors and Specialists in particular departments like General Surgery, Cardiology, Orthopedics, Pediatrics, Dermatology, Physiotherapy, Ophthalmology, ENT departments from Sapthagiri hospital, Bangalore. The main objective of this medical camp was to Provide free and high-quality medical services for the poor population of the village. To Raise health awareness among the community and teach them to deal with communicable and non-communicable. And to Register rare and severe cases and refer them to specialized centers and evaluate the living conditions and determine the obstacles and challenges to work on solving their problems and To Refer medical cases towards surgeries if required. Considering all these objectives, the teams arrived to the location at 10 am and the camp was inaugurated with a welcome speech and doctors and volunteers promised the villagers to serve their best in the organized medical camp for the day and then they even assured that first 50 members who attends the camp with eye sight problems will be provided with free spectacles according to their tested eye powers. Many villagers participated in the camp thanks to wide publicity by NSS volunteers. In total, 120 villagers attended the medical camp and benefitted. The NSS also arranged for free Blood Sugar Level and Blood Pressure tests which were hugely useful for many villagers. Nearly 40 people have undergone their general health check-ups and 16 people were benefitted with the dermatology-skin check-ups. And about 14 people went through ECG and as assured 50 members went through eye check-ups and benefitted with tested spectacles. All adults were screened for hypertension and follow up was done for the known hypertensives. Patients with altered findings and poor adherence to the old treatment were referred to higher centers for further need. Complaints regarding vision and other ophthalmic

complaints were screened and treated by ophthalmologists. After the checks up, many people were benefitted with the medicines provided free of cost by NSS unit of KSIT in association with Sapthagiri Hospital, Bangalore. Few of the patients were referred by the doctors for further treatment at Sapthagiri Hospital, Bangalore.

Later we served food for the doctors attended the camp and our NSS program officer Naveen V and Camp Directors Umesh S and Shivaprakash K M with momentous as a token of gratitude. The NSS volunteers played a vital role in making this camp success with their dedication in serving people, they directed people in all needy way. And on the same day, On 26th June 2023, the NSS Committee of KSIT organized an 'Ethnic Day' celebration at NSS Special Camp "Abhyudaya 2023" at Kemmale Village. It was a resounding success, filled with vibrant culture and enthusiastic participation of our NSS volunteers. The event aimed to celebrate the diversity and rich cultural heritage of the community. The schedule was meticulously planned to showcase various traditions and cultures. The event was graced by our NSS program officer Navin V, Our Camp Directors Umesh S and Shivaprakash K M. the main intension of celebrating ethnic day was to highlight the importance of embracing cultural diversity and fostering a sense of unity among the students. Our NSS volunteers came in ethnic costumes. Girls were dressed in Ghaghara, Lehengas and traditional Sarees and the Boys wore kurtas, dhotis and even formals. It was in a fine evening that we went to the Hindu temple in the village Kemmale. The bounty of the nature had blessed its surroundings with all its grace. All our NSS volunteers, mentors of each team and our program officer and camp directors gathered near Samudhaya Bhavana at 6:00PM in the evening. And we all together reached temple which was very close to Samudhaya Bhavana which was girls' stay place. And then we took blessings of lord Kendada Basaveshwara Swami which is believed as a true spirit by villagers of Kemmale. It was divine seeking blessings of lord Kendada Basaveshwara Swami.

Then we were provided with Prasadam and we were graced by Basava (Holy Cow) which was in the yard of temple. Later with god's grace we continued with our further events.

And then as usual as every day we started with our cultural activities for the evening and our NSS Volunteers were engaged in there works so as to make preparations for the evening. The stage was arranged by stage committee. The stage in charge for the day was for the team Kuvempu, they had arranged the stage completely in a folk style taking the concept as "Waste to Wonder", it was a very fresh concept which was perfect for the day as we had ethnic day on the same day. And the cultural committee arranged programs for the day. The Cultural's in charge was given for the team Sangolli, and they had planned the programs in a very entertain able way. The anchors for the day boosted the crowd with their energetic warm welcome. And the program for a guick start with Bajana performance by one of the villagers and his team namely "Giridasee gowdaru". We further started the program with an Inauguration song by Skanda and team, which gave a divine start to the program. And then there were few events which gave an immense pleasure to witness. And Our NSS program officer Navin V, and Camp directors Umesh S and Shivaprakash K M honored few of the village heads who gave us an immense support in conduction of our camp with the momentous. And then the events got started again with the same enthusiasm, Our NSS volunteers performed a skit mentioning "the problems faced by a man being between his mother and wife" and it was a funny skit where everyone enjoyed watching. And then there were few dance and singing performances performed. And Continued with a skit which was performed by our Volunteers giving importance to the Education. They had showcased the importance of education in a very meaningful way. And then after some divine performances

which was dedicated to goddess Renuka Yellama, there was an Alcohol awareness drama, which seemed to be an essential thing to perform at village circumstances. And everyone praised us for our attempt.

And with all good efforts the cultural program got ended with good messages. Later we all had our food and assembled near samudhaya bhavana for next day planes.

And they were most concerned of making us aware of the importance of education.

Team Kittur Rani chennamma had in charge of stage with captain as Vishwas M K and Vice-captain as Mahalakshmi D, and they have utilized there turn so very well with all the natural things available at the village. Team Vivekananda had the in charge of shramadana with captain as Rakshith and vice-captain as Varsha B C Team, they were having the in charge to distribute all the equipment's needed for shramadhana for each and every team and so has to collectthem back with at most concern without misplacing any. Vishveshwaraiah had the in charge of kitchen with captain as and vice-captain as, and they have planned to serve us in a very good way, bringing into our mind about the value to be given for food. Being in kitchen department they handled the kitchen in a very good manner. Team kuvempu had the in charge of cultural's with Captain as Shruthi Kandra and Vice-captain as Vishwanath B S.

Flag hosting was completed well by the assigned team, with a very meaningful concepts, having their own creative idea they decorated the place. The guest for flag hoisting was Sukanya, who was member of village Swasahaya Sangha and later the team members gave us glimpse of previous day's activities for all the NSS volunteers. And they continued with informing us about the present day's schedule so as to make all volunteers to be prepared for the day. Also informed about the importance of education which plays a very vital role in life of every individual, and they informed us about the government school painting program arranged by NSS unit of KSIT in honaganahalli.

After flag hosting we all had our breakfast and had a tractor ride for honaganahalli government high school. And we all had very new experience with the tractor ride. When we reached the school, assembly was going on. And happy that we witnessed our State Anthem and National Anthem along with the students of honaganahalli government high school. At the same time as per the government food scheme for the government school students, the school committee was providing their students with hot milk and breakfast, where we took part in serving them with good food. We alhad some fun in the school ground and started to work. Firstly, we started to clean the surroundings of the school and then cleaned the school yard. We also digged some plots for planting the saplings we bought. And it was our pleasure that our college faculty members and few students arrived for the place to witness our work and to contribute themselves with us in serving for the good cause. Later we started to paint the school building. And even our faculty members and students took part in planting the saplings and painting the school building with mesmerizing art works. While the work was going on there was a visit of our Principal Dilip Kumar K to the government school. Principle was very proud of our work and he even appreciated the work done by the NSS volunteers. With principal even the treasurer of Kammavari Sangham also visited the school.

The teachers from various department and students of KSIT who were currently studying in the 3rd year also visited to the camp and helped us in cleaning painting the walls of school. Not just painting and cleaning took place in school but we also planted some plants over the school ground so as to bring awareness in young minds that how important is to clean our yard and plant the saplings for our wellbeing. As the principal of the school suspended the class for students, they were all free for the day, so we planned to organize some games withthem. We thought them some games and conducted some competition like running race, dance, singing, kabaddi, throw ball, badminton and etc. there were three people from outside who helped us with the painting they draw the outline of the pictures and we all filled a color for the pictures some of us went to the village kemmale had our lunch with principle and treasurer of KSIT. There was a memento distribution and a small gift for the management from students. After giving send off for the teachers and management of the college we again rushed to the government school and felicitated with medals for the students who won in the competition and distributed the momentous for the faculties of the government school and even for the painters who helped us in making the walls of school building look colorful. Later all school members were happy for our work and the school principal happily spoke few words by appreciating our work. Later we all came back for the stay by a tractor ride which was a crazy ride.

Later some had their lunch and went for their stays to take rest and get ready for culturals. Thereafter we all assembled for the flag dehoisting the guest for flag dehoisting was. After completion of flag dehoisting all had our snacks which was arranged by Arun and Sagar of our camp all non-vegetarians had fish and the vegetarians had veg puff, everyone was happy for the snacks. The stage team decorated the stage with the available items of village such as plants, flowers, herbs and many more natural things available at the village. The guests for the culturals were and few momentous were distributed to the villagers. Every volunteer got ready to give their performance which were prepared all the volunteers rocked the stage with their mind-blowing performances such as comedy skits, dances, songs and it was the last day of culturals everyone rushed to give their performances the kids of the village also gave some performances. And then our 3rd year students performed a dance in order to dedicate to the lecturers who gave their best in providing all the essentials for the camp and cared us for 6 long days without any sort of problems.

Later all the NSS volunteers were felicitated by the people of Shree Shakthi Sangha of kemmale and the program was successfully winded up with heavy hearts. All the villagers of kemmale felt happy for our work, and they have become a part of us in these 6 days and it was hard for them and for us too to declare that it was a last day in the village which gave us many lessons and gave us a shelter for the whole week, and also the ladies of Shree Shakthi Sanga arranged us the dinner for that day. Which was really very delicious. We all had stomach full of food and assembled at the yard of Samudhya bhavana for camp fire, we were taken to the clean yard which was a bit far away from the houses of village so as to not disturb the villagers. And everyone enjoyed the last night of the camp by singing, dancing at the camp fire and that was the best wind up for the camp we had. It was around 3am when we all came back to our stay place and with filled eyes and heavy heart the last day of the camp in Kemmale winded up.

PROGRAM OUTCOMES:

At the end of the programme, the following PO's are attained.

NSS	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO 11	PO 12
NSS PROGRAMME						2	3		3			3

Justification of PO mapping:

- Students can able to assess societal, health, safety, legal and cultural issues and the consequent responsibilities.
- Students can able to Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change

Recognized

Commonly recognized warning signs include:

- Obsessing (preoccupation or constant worry about a single issue)
- Disturbing writings or drawings
- Talk of hurting others or themselves
- · References to weapons and/or violence
- Reporting concerns: Reporting methods should be communicated to employees in numerous ways. These include posters in break-rooms, email reminders, and intranet home page links to a reporting tool. Small banks in particular, where "everybody knows everyone," might want to offer an external contact number for reporting.
- > Responding: Preparing women and gilrs and training them to fight back against the violence.

- To create awareness about violence against the women
- To detail about violence, its forms and main causes
- 3 R's to stop violence

Hamsa V, Soft skill trainer, Government empanelled POSH & POSCO Trainer was also a guest for the event.

The session was delivered by our Council Member speaker Lakshmi A N Rao. The focus of the talk was to make every girl aware that she has needs to raise her voice against sexual harassment. Lakshmi A N Rao described the evolution of the girl child right from her birth upto the various phases of her life she would go through and the challenges she would have to face and how she can overcome.

Our speaker also emphasized the various laws protecting women and children be it while they are at work or in schools or colleges. She mentioned that we can all help prevent sexual abuse and keep children and women safe before it happens provided we are aware and know how to safeguard ourselves. The students were asked to speak up and approach the authorities whenever any act of sexual harassment in any form is seen or undergone.

Council member, Hamsa V highly engaged students with an interactive exchange of pictorial representations of good touch and bad touch. The students spoke about each picture with great understanding and took an oath of safeguarding themselves and raise their voices against sexual harassment.

Students shared an overwhelming feedback and are looking forward to more such sessions for other classes soon. We would like to thank the Management, CEO and Principal for giving us the opportunity to address the students.

Participant details - No. of Participants: 150 girls and boys of First semester of various Departments.

Outcomes / Benefits:

- Students gained a knowledge on how to overcome from harassment.
- How to train women and girls to protect themselves from harassment.

WOMEN'S DAY- GUEST TALK

On 8th March,2023 IEEE KSIT SB along with the department of Electronics and Communication conducted Guest talk on the occasion of Womens Day. The guest for the day was Mrs Kripa Venkatachalam. The talk was hosted by Amulya and the guest was introduced by Gagana Sindhu. The principal Dr K Dilip Kumar handed over a sampling to the guest.

Kripa Venkatachalam has over 20 years of experience in the semiconductor industry. Over the past two decades, she has held several leadership roles in engineering and product management at Cadence, Siemens EDA, Global Foundries, Synopsys and LSI Corporation. Presently she leads the Cadence India field application engineering team. As a woman engineer and as a mother of two girls, Kripa is very passionate about supporting and mentoring women colleagues in achieving their goals.

Kripa holds a bachelor's degree in Electrical and Electronics Engineering from BITS, Pilani and a master's degree in Computer Engineering from University of Texas at Austin. She is also the author of several patents in signal processing and has been a speaker at multiple industry events.

The theme for 2023 women's day was "Embrace Equity". The guest spoke about her journey in the VLSI field and the hardships that she had to face as a women .She encouraged women to ask more questions and not let the male patriarchy stop them from achieving their dreams. She spoke about progress that has been made towards gender equality and to acknowledge the work that still needs to be done. She reminded us of the vital role the women play in our society.

NISVAARTH 5K MARATHON

EVENTDATE: 17-06-2023

ATTENDIES: 450 Participants.

Department of Electronics and Communication in association with IEEE,WIE & SPS, KSIT organized a 5K marathon "NISVAARTH" on 17thJune 2023. This marathon is organized to raise money for an orphanage. The campaigning for marathon had begun to make our fellow students of KSGI aware of the upcoming big event. The registrations began soon after the campaigning, thereby making an amazingly enthusiastic crowd. All the participants were given a shirt, medal and certificate for the marathon.

On the marathon day, all the participants assembled at the quadrangle of KSIT at 6:00AM. Warm up session started at sharp 6.00 am with four trainers. The runners comprised of KSGI students and staff. The bibs were distributed to every participant. Dr. Dilip Kumar, Principal, KSIT, Sri. R Rajagopal Naidu, President, KSGI and Sri.Leela Shankar Rao, Hon. Secretary, KSGI and Sri T. Neerajakshulu, Treasurer, KSGI inaugurated the marathon by giving a good start to the students.

The run started from KSIT for 5kms, with 5 stalls in total, at every 1km. Each stall was provisioned with glucose, water, and first-aid kits, to boost the runners and to assist them throughout the run.

The volunteers and coordinators played a very important role in ensuring a smooth flow of the entire run. There were volunteers who were leading the marathon on their vehicles to assist the runners along the track, and few at the back to ensure that the participants were moving forward, and few back-and – forth to assist the runners with a comfortable and a safe run.

After a successful completion of the marathon, buses were arranged for the runners to bring them back to the college. Once all the participants returned to the college, breakfast was offered to all.

Further, in the presence of our principal, HOD and other privileged staff and people, the winners and runners of the marathon were awarded with the medals and certificates. All the enthusiastic participants were presented e-participation certificates and medals for their successful completion of the 5k marathon.

Activity program on "Facilitating 100% digital money transaction" was organized by Department of Electronics and Communication Engineering, KSIT, Bengaluru for 7th Semester ECE students on 29/11/2022. The program is to establish digital payment systems as the preferred method of payment, leading to a more sustainable and digitally-driven future. Details of the program are attached. Around 104 ECE students had taken part under the activity.

CHAPTER 1 INTRODUCTION

Digital money transactions refer to the process of exchanging money electronically, without the use of physical cash. Facilitating these transactions requires the use of digital payment systems that are secure, reliable, and efficient. Digital money transactions have become an increasingly important part of our daily lives. From online shopping to mobile payments, digital payment systems are quickly replacing traditional cash transactions as the preferred method of payment for many people.

There are several types of digital payment systems, including credit cards, debit cards, mobile payment apps, and crypto currencies. Each of these systems has its own unique features and benefits, but they all serve the same purpose of enabling quick and easy transactions.

Promoting digital money transactions is essential for creating a more efficient and secure economy. Digital payment systems offer numerous benefits over traditional cash transactions, such as faster transaction times, increased convenience, and improved security.

In this context, it is important to raise awareness about the benefits of digital payment systems and encourage their adoption among businesses and individuals. This can be achieved through targeted marketing campaigns, partnerships with businesses, and incentives such as cashback or discounts for using digital payment methods. By promoting digital money transactions, we can create a more efficient and accessible economy that benefits everyone.

CHAPTER 2 OBJECTIVES

The main objective is -

To increase the adoption of digital payment systems among local residents and businesses by creating awareness about their benefits and providing easy-to-use and accessible payment options, ultimately creating a more efficient, secure, and convenient economy and establish digital payment systems as the preferred method of payment, leading to a more sustainable and digitally-driven future.

CHAPTER 3

ABOUT EVENT

In recent years, digital payment systems have gained immense popularity worldwide, and Google Pay (GPay) has emerged as one of the most widely used digital payment systems. GPay is a secure and user-friendly payment platform that allows users to make transactions easily using their smartphones. In this essay, we will explore the steps to use GPay and highlight its benefits as a means of digital transaction.

GPay offers several benefits as a means of digital transaction. Firstly, it is fast and convenient, allowing users to make payments without having to carry cash or cards. This makes it especially useful for online shopping or making payments at stores that support digital payment methods. Secondly, GPay is secure, using advanced encryption technology to protect users' personal and financial information. Additionally, GPay uses two-factor authentication to ensure that only authorized users can access the app.

Another benefit of GPay is that it supports multiple payment methods, including credit cards, debit cards, and bank transfers. This makes it easy for users to choose the payment method that is most convenient for them. GPay also offers rewards and cashback programs, providing users with incentives to use the app for their transactions.

Steps to followed to transfer money using G pay:

- 1. Download the GPay app from the Google Play Store (for Android users) or the App Store (for iOS users).
- 2. Once the app is downloaded, open it and follow the on-screen instructions to set up your account.
- 3. Add your bank account details to GPay by linking it to your mobile number registered with your bank.
- 4. Once your account is set up, you can start making transactions using GPay. To make a payment, simply open the app and select the "Pay" option.
- 5. Enter the amount you wish to transfer and choose the recipient by either selecting from your contacts or entering their mobile number or UPI ID.

FACILITATING 100% DIGITAL MONEY TRANSACTION

- 6. To complete the transaction, enter your UPI PIN or provide any other authentication required by your bank.
- 7. Once the transaction is complete, you will receive a confirmation message from GPay and your bank.

In addition to making payments, you can also use GPay to request money from others or transfer money to other GPay users.

CHAPTER 4 OUTCOME OF THE EVENT

We created a poster which specifically explained the different steps to be followed to transfer and receive money using Gpay.

Our efforts to educate and raise awareness among the local communities about GPay money transactions have been successful.

FACILITATING 100% DIGITAL MONEY TRANSACTION

Location: JP Nagar 7^{th} phase, Bengaluru.

We have effectively promoted the use of GPay as a reliable and convenient payment option. by highlighting the benefits of GPay, we have encouraged more people to adopt this digital payment method, contributing towards a more cashless society.

CHAPTER 5 CONCLUSION

- ➤ In conclusion, promoting digital money transactions is important for creating a more efficient and secure economy.
- > Digital payment systems offer numerous benefits over traditional cash transactions, such as faster transaction times, increased convenience, and improved security.
- > To promote digital money transactions, it is essential to provide easy-to-use and accessible payment systems with robust security measures in place.
- ➤ In addition, it is important to educate people about the benefits of using digital payment methods and incentivize their use through cashback, discounts, or other rewards.
- ➤ As the world becomes increasingly digital, the adoption of digital payment systems is likely to continue to grow.
- ➤ By promoting and facilitating digital money transactions, we can create a more efficient, secure, and accessible economy that benefits everyone.

CHAPTER 1 INTRODUCTION

Waste segregation is the process of separating different types of waste materials according to their properties and characteristics, in order to facilitate their efficient and safe disposal or recycling. It is a crucial aspect of waste management that helps to reduce the volume of waste generated, minimize the environmental impact of waste disposal, and conserve natural resources.

Swacch Bharath is a campaign launched by the Government of India in 2014 to promote cleanliness and sanitation in the country. The campaign aims to make India a clean and hygienic country by focusing on waste management, improving sanitation infrastructure, and promoting behavioral changes among citizens.

One of the key objectives of the Swacch Bharath campaign is to encourage waste segregation at source, which involves the separation of waste into different categories such as biodegradable, non-biodegradable, hazardous, and recyclable waste. This approach helps to ensure that each type of waste is handled and disposed of appropriately, reducing the environmental impact of waste disposal and promoting the recycling and reuse of waste materials.

The Swacch Bharath campaign has led to significant improvements in waste management and sanitation infrastructure in India, with a particular focus on rural areas and urban slums. However, there is still a long way to go in terms of achieving the campaign's goals, and continued efforts are needed to promote waste segregation and sustainable waste management practices across the country.

As a part of this, we carried out an awareness program at Puttenhalli Lake by cleaning the surroundings and creating Environmental Awareness amongst the public.

CHAPTER 2 OBJECTIVES

- To bring about an improvement in the general first-rate of life within the rural regions, by promoting cleanliness, and hygiene.
- To motivate groups to adopt sustainable cleanliness practices and centers through awareness creation.
- To encourage the public to ensure cleanliness through individual contribution.
- To develop, wherever required controlled practices Solid; Liquid Waste Management systems for universal cleanliness in the rural regions

CHAPTER 3 ABOUT EVENT

As part of the All India Council for technical education (AICTE) activity point program, the students of 8th Sem Electronics and Communication Engineering visited a lake to contribute to Swachh Bharath a national-level initiative of the government of India. The Swachh Bharath campaign was held at Puttenhalli Lake, Bengaluru. Swachh Bharath Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharath Abhiyan is a great step towards a clean India.

Around 11 students actively participated in this event. Student teams collected waste plastics, plastic bottles, and many unwanted plastic materials from the surroundings of Puttenhalli Lake.

The day started with cleaning the surroundings of the lake. Our team worked on removing and convinced them to give importance to maintaining the same. We as engineering students explained the nuances of not maintaining the cleanliness aspects and guided how to maintain them. The other activities we all enjoyed cleaning the premises are: Cleaning the Lake surroundings. Removing unwanted items such as plastic and unwanted bottles on the premises. Our teams with all support collected the garbage and kept it aside for disposal. We cannot forget the encouragement of the lake in charge for support in giving us the required permission to clean the surroundings. We worked together to pick up litter and debris from the shoreline, as well as remove invasive species and restore natural habitats. The waste collected during the event is sorted and disposed of properly, with recyclable materials sent for recycling and non-recyclable waste sent to a landfill.

CHAPTER 5 OUTCOME OF THE EVENT

This event has helped us in understanding the importance of keeping our surroundings clean and healthy for the sake of the individual. Under the Swachh Bharat initiative, massive door-to-door garbage collection and disposal activities were initiated. This helped in addressing the problem of garbage disposal. With this activity, we were able to bring awareness amongst the public about the need to keep the surroundings clean and the requirement of disposal of the wastes in an effective way. There was a lot of support from the government and the common public for helping us make this event successful. With this event, we were able to successfully educate young children about the requirement of cleanliness and hygiene.

Municipal offices is providing specialized waste collection services for the lake surrounding, with separate collection of wet and dry waste. This involves deploying waste collection vehicles or boats to collect waste from the lake and its surroundings.

To ensure that waste from the lake surrounding is processed and disposed of properly, municipal offices have established specialized waste processing facilities, such as composting or biogas plants, to process wet waste, and recycling facilities to process dry waste.

Municipal offices have enforced regulations related to waste management in the lake surrounding, including penalties for littering or improper waste disposal.

To ensure that waste management practices in the lake surrounding are effective, municipal offices conduct regular monitoring and evaluation.

BEFORE AFTER

CHAPTER 6 CONCLUSION

The report has outlined some of the key strategies that municipal offices can use to carry out effective waste segregation in the lake surrounding.

Firstly, specialized waste collection services can be provided for the area, with a separate collection of wet and dry waste. This could involve the deployment of waste collection vehicles or boats to collect waste from the lake and its surroundings.

Secondly, waste processing facilities such as composting or biogas plants for wet waste, and recycling facilities for dry waste can be established to ensure proper processing and disposal of waste.

Thirdly, public awareness campaigns can be launched to educate residents and visitors about the importance of waste segregation, the impact of litter on the lake ecosystem, and how to segregate waste effectively.

Fourthly, regulations related to waste management can be enforced, including penalties for littering or improper waste disposal.

Lastly, regular monitoring and evaluation can be conducted to ensure that waste management practices in the lake surrounding are effective and sustainable.

By implementing these strategies, municipal officials can promote effective waste segregation, reduce the impact of waste on the lake ecosystem, and promote sustainable development in the area. Overall, waste segregation by municipal officials near a lake is a critical component of effective waste management and sustainable development and should be a priority for all stakeholders involved in waste management.
