Subject: Accreditation status of programs applied by KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka.

Sir,

This has reference to your application I.D. No. 4566-03/02/2020 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier II) offered by **KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka.**

2. An Expert Team conducted online evaluation of the programs from **10th - 12th December, 2021**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier II June 2015 Document	Accredited (635 marks awarded by the Visiting Team increased to 645 as per the Observations made and indicated in the Annexure to this letter)	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		
3.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. **KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year

Contd/..

from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)  
Member Secretary

Subject: Further accreditation status on the basis of Compliance Report of the programs applied by KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka.

Sir,

This is regarding Compliance Reports submitted by **KS Institute of Technology, No. 14, Raghuvanahalli, Kanakapura Road, Bangalore-560062, Karnataka** for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2021-22 to 2023-24 i.e. upto 30/06/2024.

2. An Expert Team conducted data verification of the programs on **20<sup>th</sup> April, 2024**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

## **Students In Academic Affairs /Improvement**

### **PROCESS TO IDENTIFY THE “SLOW LEARNERS”**

The slow learners are identified based on their performance in first CIE and participation in class room discussion. Students who have scored less than 50% of the marks in the first CIE are identified as a slow learners and Department schedules remedial classes to interact with the students and to motivate them to do well in 2nd and 3rd CIE. Faculty highlights students about important concepts in their respective courses and assist students to improve their learning levels by issuing various instructional materials like hand notes, Question bank Covering repeatedly asked questions in University question papers and etc. Attempts are made by the faculty to give personal attention to these students, where in each faculty is assigned with 20-25 students for mentoring and parents teachers meeting is scheduled as and when necessary.

### **PROCESS TO IDENTIFY THE “ADVANCED LEARNERS”**

Department identifies those students who does not fall under category of slow learners as bright students and are encouraged to participate in various national and state level competition, work on mini projects, enroll for Online course like NPTEL, symposia, seminars and workshops to gain knowledge on the latest developments. Bright students are also encouraged to present paper in national and international conferences. Department takes initiative and award top two students from each class with certificates, cash prize and so on during the Inter Department technical fest-EMANATION which will be held during ODD semester of every year. In addition to these top two students from each class are presented with a certificate and cash prize every year at institute level. Project proposals are being submitted to various project funding agencies.

### **Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences**

- The academic viewpoint of the institute is student centric. The various methods of experiential and interactive learning are adopted to ensure that students actively participate in the teaching-learning process.
- Experiential learning
- The institution provides a wide range of learning opportunities that engage students in real-world scenario and emphasize student interaction throughout the learning process. Few topics of the curriculum are demonstrated through experiments in the laboratory and by doing mini projects. Industrial visits are arranged to expose the students to the latest technological developments. Students are encouraged to take up the internships in the industries. It provides opportunities for students to engage intellectually, creatively and gel emotionally.
- Interactive learning
- The faculty members make learning interactive for students by motivating student participation in group discussion and subject quiz. PPT presentations, video presentations will be made during the class and the sessions will be made more and more interactive.
- Participative learning
- This provides students with an opportunity to gain professional knowledge, skills and values. Students are encouraged to take part in organizing the technical activities like guest lectures, IEEE activities, CSI activities and others. The Departmental club activities will be arranged with the complete involvement of student office bearers of the respective clubs.

- Problem solving methodologies
- The students are encouraged to solve a real time problem. Students will take part in BAJA and GOKART activities where they involve themselves in the design, fabrication and testing of the vehicle according to the norms specified by SAE. Students are proactive in the events like HACKHATHON where programming skills are exhibited and recognized in the national level.

### **Teachers Use ICT Enabled Tools For Effective Teaching-Learning Process**

#### **Teachers use ICT enabled tools for effective teaching-learning process.**

Today, it is crucial for the students to learn and excel the newest technologies to cater for corporate jobs. As a consequence, teachers are blending technology with traditional mode of teaching to engage students learning conceptual and innovative Facts College supports and encourages the faculty to use various ICT tools.

The following tools are used by the Institute ICT Tools:

1. Projectors - projectors are available in different classrooms/labs
2. Desktop and Laptops- Arranged at Computer Lab and Faculty cabins all over the campus.
3. Printers- They are installed at Labs, HOD Cabins and all prominent places.
4. Photocopier machines - Multifunction printers are available at all prominent places in the institute.
5. Scanners- Multifunction printers are available at all prominent places.
6. Seminar Rooms-Five seminar halls are equipped with digital facilities.
7. Smart Board- Two smart boards are installed at two laboratories.
8. Auditorium- It is digitally equipped with mike, projector, cameras and computer system.
9. Online Classes through Zoom, Google Meet, Microsoft Team, Google Classroom)
10. Hacker Rank (Online Coding Platform)- inter college competition
11. MOOC Platform (NPTEL, Coursera, SAP, Udemy, Edx etc)
12. Digital Library resources (DEL NET, MYLOFT etc)

#### **Use of ICT by Faculty**

A. PowerPoint presentations- Faculties are encouraged and motivated to use power-point presentations in their teaching by using LCD's and projectors. They are also equipped by digital library, online search engines and websites to prepare effective presentations.

B. Industry Connect- Seminar and Conference room are digitally equipped where guest lectures, expert talks and various competitions are regularly organized for students.

C. Online quiz- Faculties prepare online quiz for students after the completion of each unit with the help of GOOGLE FORMS.

D. Video Conferencing- Students are counseled with the help of Zoom / Microsoft teams applications.

E. Video lecture- Recording of video lectures is made available to students for long term learning and future referencing.

F. Online competitions- Various technical events and management events such as Poster making, Project presentations, Business quiz, Debates, paper presentations etc. are being organized with the help of various Information Communication Tools.

G. Workshops- Teachers use various ICT tools for conducting workshops on latest methods such as Programming languages and simulations etc.

Mechanism of internal assessment is transparent and robust in terms of frequency and mode

### **Continuous Internal Evaluation (CIE) Internal Assessment Test**

- After commencement of the course, Department conducted two internal tests, scheduled in accordance with the university and college calendar of events.
- Internal Assessment schedule and conduction was monitored by Internal Assessment (IA) Coordinators.
- Course Coordinators prepared the Question papers and Scheme of Evaluation for their respective course and submitted to IA coordinators.
- Question paper was scrutinized by the Principal.
- Two Question papers (set A and set B) was set for each Course. Among them, one was been selected for IA.
- Course coordinator followed the scheme and solutions for each test and assessed the performance of students.

### **Seminar Work Evaluation**

- Head of the Department selected a senior faculty member as a Seminar coordinator. He along with other faculty assessed technical seminar presentations by the students. He ensured that the students selected advanced topics in Mechanical Engineering and allied research areas with a lot of relevance and applicability.
- Every student presented the selected topic in the eight semesters as per the schedule mentioned prior in Timetable and Department Calendar of events.
- Seminar coordinators evaluated according to rubrics, for evaluation of seminar.

### **Project Work Evaluation:**

- Project batches were formed as per the instruction given by project coordinators.
  - Synopsis was submitted to the project coordinators for scrutinizing. Project Batches are allotted to the internal guides based on the specialization and domain expertise of the faculty members and student's preferences was considered too.
  - Each internal guide continuously monitored their students on a weekly basis to observe the progress in their work.
-

- Project guide along with project coordinators conducted three project reviews as per the rubrics, which was set by the Department and then submitted the Internal Assessment marks to the Head of Department.
- External Project Viva voce was conducted by the panel of examiners deputed by the University. Based on the viva voce, the marks were awarded to the students and submitted to the university.
- Department encouraged the students to participate in Project Exhibition and the project Guides motivate, guided the students to publish their work in standard conference/journals.

### **Mentor – Mentee**

#### **College level:**

- Grievances with respect to internal assessment evaluation are clarified by the concerned course teacher within a week after the completion of internal assessments.
- Course teacher displays internal assessment answer books along with a scheme of evaluation to all the students in the class and clarifies students' doubts if any.
- If the grievance cannot be addressed by the course faculty, the student has the option to take it up with the Head of the Department.
- Discrepancies if any are treated and addressed depending on the nature of the problem.
- Grievances of any nature can also be shared with the mentors on a one-to-one basis.
- An exclusive Student Mentoring System is also functional in the college.

#### **University Level:**

The college provides support to students with respect to the grievances in university exams evaluation (reevaluation) and other administrative discrepancies at the university level.

### Mechanism/Norms and Procedure for democratic/good Governance

#### **Mechanism /Norms and Procedure for democratic /good governance**

- **The effective leadership is visible in various institutional practices such as decentralization and participative management.** The institution encouraged a culture of active participation by including all the stakeholders in all activities. Few practices of decentralization and participative management are listed below.
1. **Annual Budget:** Annual budget for the academic year for 2023-24 was framed by institutional head. All the departments submitted the annual budget required for their department to the principal and the consolidated budget was forwarded to the management. Total annual budget requested was Rs. 2,100.00 Crores for the academic year 2023-24. Institutional management approved total budget of Rs. 2,100.00 Crores. This Budget was utilized by all departments (CCE, AI&ML, CG, CSE, ECE, TCE, Mechanical, AS&H) for recurring and non-recurring expenditures such as purchase of new equipment's, alterations required to labs, staff rooms, office, furniture, computers and support systems, software, R&D procurement, R&D and departmental consumables etc. Total expenditure of the institution for the academic year 2023-24 was 2,100.00 Crores which includes department and college level events.

2. **Various programs conducted during academic year 2023-24:** Institution conducts various events like, Cultural Fest Ananya, Alumni Meet, Hackathon, 3 Phases of AICTE-ISTE Induction Programs etc.

  - 6 Days Faculty Development Program on Teaching, Learning & OBE Concepts for a period of 6 days from 21.09.2023 to 27.09.2023. The event started with the welcome address by the Principal of KSIT Dr. Dilip Kumar K. and Chief Guest Dr. Gopalakrishna K address the gathering by sharing his experiences and how to handle the current generation.

### **Alumni Meet 2023-24:**

The Alumni Meet was organized on 24<sup>th</sup> February 2024 in KSIT Quadrangle at 04:30 pm & **272** Alumni have attended the meet. The Registrations for the Alumni Meet started at 04.30 pm. Mr. Jaishankar N, Alumni of 2003 & Presently working as Competency Manager at Adobe was present as the Chief Guest for the Alumni Meet. Mr. Vinay Kashyap, Alumni of 2003 Batch & Currently working as Actor, was present as Guest of Honor. Sri. R. Rajagopala Naidu, President of Kammavari Sangham presided over the function, Sri. R Leela Shankar Rao, Hon. Secretary of Kammavari Sangham and Sri. T Neerajakshulu Naidu, Treasurer, Kammavari Sangham also graced the occasion. Dr. Dilip Kumar K, Principal of K.S.I.T and Rector of the Alumni Association also graced the occasion and proposed welcome address.

**The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures.**

- Our Institute has Governing Council Committee with 15 members and they will be conducting meeting yearly twice and whenever required.
- Recruitment is made as per requirement through advertisements in paper. The resumes will be collected and scrutinized as per requirements, by HODs under the guidance of Principal and CEO. The shortlisted candidates will be called for interview. The selected candidates will be called for second round of discussion with the management. The selected candidates will be offered an appointment letter.

- The Management of KS Group of Institutions (KSGI) has handbook in the hands of its employees. KSGI has been making steady efforts to work in a more guided way and this hand book, providing the necessary rules / guidelines / policies, is one such document to provide transparency in day-to-day functioning. These rules / guidelines / policies give us better focus and provide us a greater freedom in our decision making without waiting for directions from the top. Rule book is framed with respect to KSGI which is been followed by KSIT.
- We have total of twenty-four Committees. Due to Covid pandemic period only few of the committees had regular progress. They conducted meetings and events regularly as per their schedule. Professional bodies like ISTE, IEI, IETE, SAE and IEEE. Anti-Sexual Harassment committee also conducted webinars for Covid awareness. FDP titled "Insight on Antenna, Satellite and Radar Communication" was conducted on 10th 12th August 2020.

### Implementation of e-governance in areas of operation like

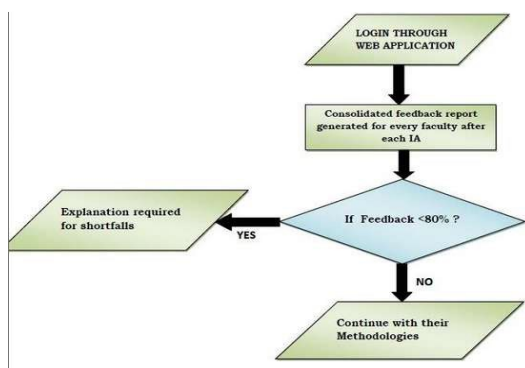

1. Finance and Accounts
2. Student Admission and Support
3. Examination

### Student Feedback on institutional Governance/Faculty performance

Methodology being followed for analysis of feedback and its effectiveness

- The scale for faculty feedback rating is from 1 to 10 (10-point scale).
- The feedback collected from students is first analyzed by an Assessment Committee headed by the Principal.
- Principal can only access the feedback given by students and give away to respective Head of the Departments. Further, respective Head of the Departments will circulate individual subject feedback as well as consolidated class feedback to each faculty.

Faculty scoring less than the Institution Standard (80%), necessary corrective actions is followed. The comments are analyzed by the Head of the Department and are discussed with the concerned faculty individually. Suggestions for improvement in teaching performance are given if required.

## FACULTY FEEDBACK PROCESS

- Feedback collected for all courses: YES
- Specify the feedback collection process: Through web portal
- Average Percentage of students who participate: 85%

### Faculty Performance Appraisal and Development System

A well-defined system for faculty appraisal for all the assessment years

The Management of KSIT appreciates and encourages the faculty for their services and achievements by

- Reimbursing part/ full of registration fee for participation in workshops/FDPs/STTPs
- Felicitating with certificate and cash award on receiving project funds
- Felicitating with certificate & cash award for achieving 100 % results
- Felicitating the faculty upon serving 10 years in KSIT

Feedback on faculty is collected twice a semester from the students, and is evaluated by the concerned faculty, HOD and Principal. If the feedback is less than 80 %, the concerned faculty is asked for an explanation. The key points in the feedback form are:

- Effective planning and organization of lectures
- Punctuality/class time utilization
- Ability to teach/explain/effective use of board
- Interaction/Motivating students
- Subject Knowledge
- Presentation of the subject/communication
- Linking subject with practical applications
- Syllabus coverage/Exam point of view
- Evaluation/test counselling
- Attitude towards teachers

Every year the assessment of faculty is based on their self-appraisal form. The key sections in faculty appraisal form are:

- Results, Feedback, Mentoring,
- Workshops/FDPs/MOOCs attended and organized
- Publications, R&D project proposals / grants
- Consultancy & Training, Patents
- Contribution towards the development of the Institute
- Recognitions received from outside agencies in the form of awards, prizes, projects etc.

Faculty fills the self-appraisal form at the end of every academic year. The HOD reviews self-appraisal forms and provides remarks/ comments and submits to the principal along with the academic results & students feedback. Principal reviews the self-appraisal and provides remarks/ comments and submits to the CEO of the K.S. Group of Institutions.

The faculty with less than 60 % score in self-appraisal are called before Appraisal Committee and questioned on their poor performance. They are advised to improve their performance before next assessment year. If the faculty performance is not improved for 2 consecutive years, then their increment will be withheld, advised and their probation period will be extended. If the faculty has not improved their performance for 3 years consecutively, they will be terminated from their service.

### SC/ST CELL

Scheduled Castes (SC) and Scheduled Tribes (ST) has been identified as the two most backward groups of Indian Society. They include all the castes, races or tribes, which have been socially, economically and educationally backward. The cell at our Institute has been established to support and to bring students from such communities in the mainstream.

The SC/ST cell of KSIT was established with the purpose to empower the SC/ST students in the Institute. The Institute takes a special interest in facilitating financial support to students belonging to these communities from government agencies and other sources. They are also encouraged to enroll for career orientation programs, which would equip them with the necessary skills to choose a career option.

#### **Activities**

1. To collect reports and information of State Govt. and UGC orders on various aspects of education, employment of SC/ST Students.
2. To circulate State Govt. and UGC decisions about different scholarship programs.
3. To communicate with the students and motivate them for better future planning.
4. To counsel and guide SC/ ST students and help them to manage academic and personal issues of college life effectively.
5. To ensure provisions of an environment where all such students feel safe and secure.
6. To provide prompt counselling for any emotional emergencies arising on account of any event at the campus.
7. To provide the mechanism to redress the grievance of SC/ST students, if any
8. To ensure protection and reservation as provided in the constitution of India.
9. To arrange for special opportunities to enhance the carrier growth
10. To aware the SC/ST students regarding various scholarships program of State Govt. and UGC.
11. To take such follow up measures to achieve the objectives and targets laid down by the Govt. of India and the UGC.
12. To encourage and enlighten the SC/ST students with regard to the rights enshrined in the constitution

## 1 Introduction

Industry Internship is an integral part of the academic curricula. Its satisfactory completion is a mandatory requirement for the degree to be awarded by the University. Further, considering the curriculum structure approved by the college, multiple internships modes are possible, and are assigned academic credits within the curricula. The general structure of the internship requires the students to undertake an immersive assignment within the assigned organizations for a limited period. The internship offers the students an opportunity to gain hands-on industrial or organizational exposure; to integrate the knowledge and skills acquired through the coursework; interact with professionals and other interns; and to improve their presentation, writing, and communication skills. Internship often acts as a gateway for final placement for many students. The internship will benefit students by getting real time industry experience and exposure, exploring the career opportunities, add values, skills, and experience to their CV and learn company culture.

## 2 Objectives

Internships are educational and career development opportunities, providing practical experience in a field or discipline. They are structured, short-term, supervised placements often focused around particular tasks or projects with defined timescales. An internship may be compensated, non-compensated or some time may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization.

Following are the intended objectives:

- To expose the students to industrial environment (viz. various materials, processes, products and their applications along with relevant aspects of quality control which cannot be simulated in the classroom) for application of existing engineering knowledge in industrial situations.
- To provide possible opportunities to learn and sharpen the real time technical and managerial skills required for professional career.
- Understand the social, environmental, economic and administrative considerations that influence the working environment.
- To expose students to the engineer's responsibilities and ethics.
- To get acquainted with the working styles of industries at different hierarchy and learn to work in a team.
  - To gain experience in all types of professional communications (viz. pre internship applications, during internships people skills and documentation skills and post internship reports/projects writing skills).
- To demonstrate the impact of the internship on their lifelong learning and professional development.
- To provide the linkages of future job/research opportunities to students in the organization.

## Facilitate teachers for undergoing training Guidelines

A new faculty member who completes his / her studies in a timely manner from any technical institution and joins in engineering college needs basic training, he / she is required to provide quality outputs in the short run so that they lead to meaningful outcomes for the discipline in the medium duration which in turn a valuable impact for the institutions in the long duration. Therefore, the faculty member is required to plan the efforts and their directions to make the academic carrier meaningful.

Faculty induction programme (FIP) has to be implemented just after recruitment of fresh teachers.

- He/She has to keep abreast with the latest syllabus in his subject.
- New faculty members are trained to develop the art of preparing a systematic lesson plan and effective classroom interaction developing competence in communication skill in various models relevant to technical problems.
- Training in human values through an appropriate process of self-exploration happened to be, by for the most important component of the training of fresh teachers.
- A teacher also has to learn the knack of continuous knowledge updating and lifelong learning.
- Apply the concepts, principles, and process of instructions and learning to ensure effective implementation of the curriculum.
- Demonstrate ethical and responsible, professional behavior in the performance of his duties and rules.
- Also, at successive stages of teaching career, training inputs about curricular development, infrastructure development, Institutional development, disciplinary and other important aspects of educational administration and policy formulation etc., will also be needed.
- The points explained above required the development of a comprehensive training policy for young inductee teachers at different stages of their carrier as well as meeting different needs.
- To prescribe the structure and contents of the training program at different levels.
- To monitor, facilitate and successfully improve the quality of training by proposing to develop suitable resource persons resource material and carrying out action research.
- Continuous updating of technical subject expertise by making mandatory, the successful completion of at least one subject course offer through technology based means every year from anywhere in the world.
- Basic understanding of the teaching – learning process.
- Training in preparing a systematic lesson plan and effective classroom interaction.
- Guided exposure to good teaching practice and lab development.
- Teaching in miscellaneous aspects other than teaching such as administrative procedure, financial procedure and legal implication etc.,
- A fresher is required to attend two seminar / workshop / conferences in an academic year.

K S institute of technology, Department of Physical Education & Sports is a cell of major activity in the Campus. The Department of Physical Education & Sports is well equipped with modern infrastructure and conducts activities. Sports are in fact a way of life for the student's health and fitness and those looking for professional star status. Physical education, a learning experience, offers a unique opportunity for problem solving, self-expression and socialization. A well-implemented, comprehensive programme is an essential component for the growth of both mind and body

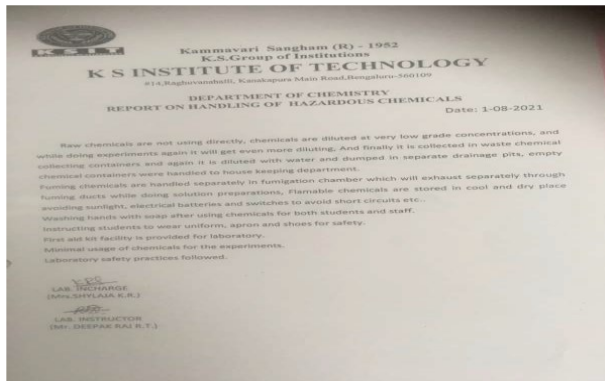

- Outdoor sports Volleyball, Throw ball, Kabaddi
- Indoor sports Badminton, Carom and Chess.
- NSS
- Students are encouraged to organize NSS camps; Independence Day, Republic day, Teachers Day, Engineers Day, are celebrated by students actively.
